Staff Debriefing after Behavioral Emergency

This form is for staff use only; it does not go in a student's file and does not need to be sent to the SELPA. Debriefing meeting should happen no later than 24-72 hours after the reported incident.

Date of Incident:	Student Initials:
Date of Staff Debriefing:	Staff in Attendance:
Describe the behavior(s) that occurred, according to witnesses:	
Behavior Intervention Plan was followed with fidelity? If not, what pieces were missing?	
Location of incident:	
Where did the restraint take place?	When during the incident did the restraint take place?
Noted antecedent(s):	

LAKE COUNTY SELPA

Special Education Local Planning Area

What may have triggered the escalation of the behavior leading to the use of a restraint?
Describe the type and level of CPI restraint used in this incident.
What staff were involved in the restraint?
Student(s) or Staff injured (e.g. red marks, bruises)? If yes, describe and attach a photo if available:
What was attempted prior to restraint to de - escalate behaviors?
Were all CPI procedures used appropriately? If not, what can be done differently next time?
Note any other preventative strategies that could be used if there were another incident similar to this one.
