

Back to School Dress Code Reminders

As a reminder to students and families, Clint ISD has a dress code policy that applies to students on school property and at school-sponsored activities. Our goal is to create and maintain a positive and safe learning environment where all students are comfortable and respectful of themselves and others. The entire Dress Code can be found in the Clint ISD Student Code of Conduct <https://www.clintweb.net/departments/secondary-curriculum-and-instruction/student-code-of-conduct-cdigo-de-conducta-estudiantil>

Here are a few reminders to the Dress for Success

- Shorts may be worn year-round, and coaches will approve appropriate shorts for athletic events. The length of the shorts may not cause undue attention and may not be shorter than mid-thigh or longer than over the knee. Spandex shorts are not allowed unless during athletic events.
- **Pajamas will not be worn** unless during an activity that has been approved by the administration.
- **Earrings may be worn by all secondary students** - only on the ear lobe and must not bring undue attention to the student. **No jewelry, hardware, gauges, or temporary materials may be worn or visible body piercings/tongue piercings.**
- Students' hair must be well-groomed at all times. Hair colors/cuts/designs/hair extensions that distract others in a manner that interferes with instructional activities are not allowed. (Natural hair colors: black, brown, blonde, natural red).
- Students must cover tattoos whenever possible so that undue attention is not brought to the student.
- **No bare midriffs** will be allowed (no visible navels). Undergarments are required when deemed necessary by the appropriate personnel.
- Students are not allowed to wear any out-of-the-ordinary attire (e.g. bandanas, spikes, gloves, or dental grills). **Hats will not be worn inside the building.** If a student wishes to wear a hat or head covering for religious purposes, prior approval from the campus administrator must be acquired. **Students may NOT wear sunglasses inside building.**
