Campus Comprehensive Needs Assessment

Summary of Findings

Needs to be addressed:

- Strengthen math scores in targeted areas
- Increase performance of Spec Ed students
- Post-secondary readiness mentality in students and parents
- Increase parent involvement in attendance and academic issues
- Continue data driven instruction utilizing STAAR Redesign resources and PD
- Increase number of Masters Level performance
- Continue to improve RTI and 504 programs and documentation
- Implementation of Effective Schools Framework campus-wide
- Continue Teacher Incentive Allotment Implementation

The comprehensive needs assessment was conducted in accordance with Title I Schoolwide Component 1 and assessed the needs of the entire school.

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL 1:** The students in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL 2:** The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL 3:** The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL 4:** The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

- OBJECTIVE 1:** Parents will be full partners with educators in the education of their children.
- OBJECTIVE 2:** Students will be encouraged and challenged to meet their full educational potential.
- OBJECTIVE 3:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
- OBJECTIVE 4:** A well-balanced and appropriate curriculum will be provided to all students.
- OBJECTIVE 5:** Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society.
- OBJECTIVE 6:** Qualified and highly effective personnel will be recruited, developed, and retained.
- OBJECTIVE 7:** The state's students will demonstrate exemplary performance in comparison to national and international standards.
- OBJECTIVE 8:** School campuses will maintain a safe and disciplined environment conducive to student learning.
- OBJECTIVE 9:** Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.
- OBJECTIVE 10:** Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

TEA COMMISSIONER'S STRATEGIC PRIORITIES:

1 Recruit, support, retain teachers & principals	2 Build a foundation of reading and math	3 Connect high school to career and college	4 Improve low- performing schools

DISTRICT ESSA REQUIREMENTS

Equity Plan [ESSA Sec. 1112(b)(2)]:

The equity plan found low performance on state assessments for special education students. This need will be addressed through intense interventions and additional tutorial opportunities for special education students. In class support of special education students will also be increased.

Poverty Criteria [Sec. 1112(b)(4)]:

NCCISD determines Title I eligibility and rank/serve order through direct certification for the Community Eligibility Program under the National School Lunch Program.

Schoolwide Programs [Sec. 1112(b)(5)]:

Title funds are used to support teachers for ratio relief so that smaller class sizes can be achieved. Intervention teachers are also used to provide intense remediation and intervention for students that show the need. Students are tracked through data on TRS unit tests and benchmark tests. This data is used to guide intervention and adjust teaching strategies. Paraprofessionals are used to assist with interventions and provide additional assistance to struggling students.

State Compensatory Education

State of Texas Student Eligibility Criteria:

A student under 21 years of age and who:

1. Is in prekindergarten – grade 3 and did not perform satisfactorily on a readiness test/assessment given during the current school year.

8. Is currently on parole, probation, deferred prosecution, or other conditional release
9. Was previously reported through PEIMS to have dropped out of school
10. Is a student of limited English proficiency
11. Is in the custody or care of DPRS or has, during the current school year, been referred to DPRS
12. Is homeless
13. Resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, or foster group home

State Compensatory Education

This district has written policies and procedures to identify the following:

- Students who are at-risk of dropping out of school under state criteria
- Students who are at-risk of dropping out of school under local criteria
- How students are entered into the SCE program
- How students are exited from the SCE program
- The cost of the regular education program in relation to budget allocations per student and/or instructional staff per student ratio.

Total FTEs funded through SCE at this District/Campus: 4

The process we use to identify students at-risk is: *TSDS criteria*

The process we use to exit students from the SCE program who no longer qualify is: *PEIMS criteria*

Title I Schoolwide schools:

At Nueces Canyon Elementary School State Compensatory Funds are used to support Title I initiatives.
