and VAPA

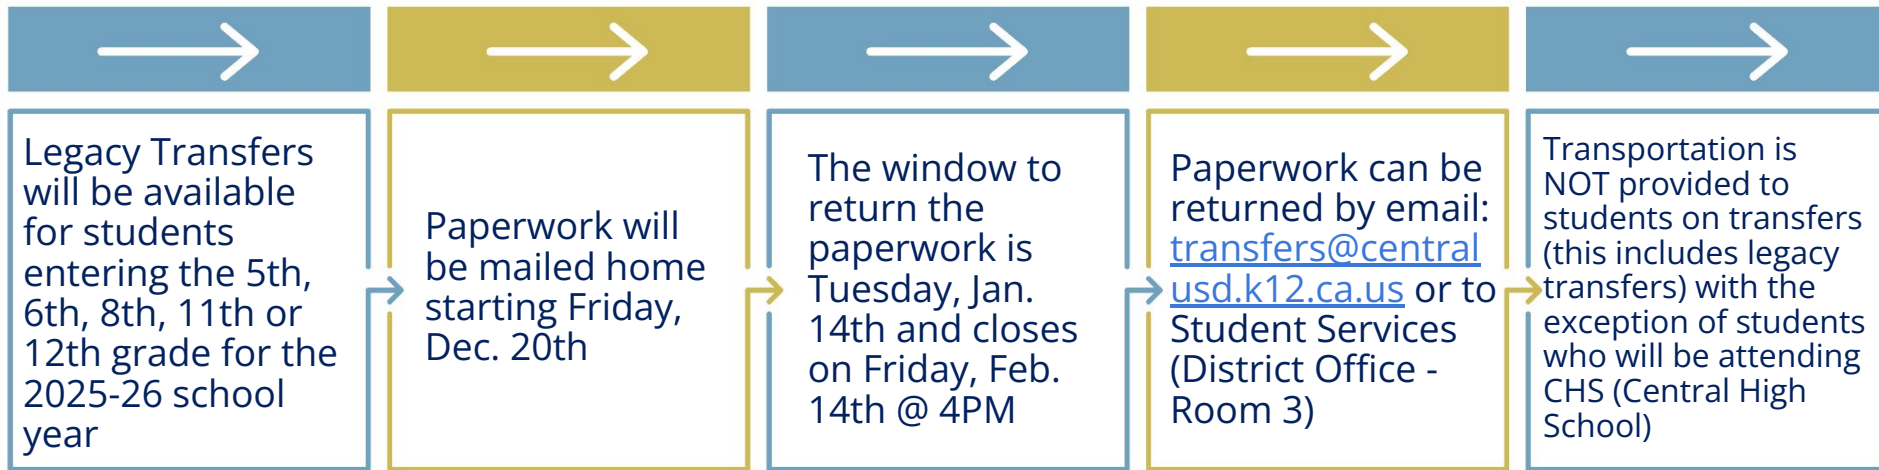

STAFF TIMELINE

Communication Plan

Transfer Process

- IntRA/IntER district transfers will be available for those who do not qualify for a legacy transfer starting Monday, April 7th.
- Approvals/Denials are based on space availability, grades, attendance, and discipline.

Student Services - (559) 274-4700; ext. 10138
BP 5116.1/AR 5116.2/AR5117.2

Family Timeline

**3 letters will go out
starting Friday,
December 20th**

1

Affected by boundary changes who are eligible for a legacy transfer

2

Affected by boundary changes but are NOT eligible for a legacy transfer

3

Not affected (residency school remaining the same)

**Legacy Transfer
Window:
Opens on Tuesday,
January 14th and
closes
on Friday, February
14th at 4pm**

During this time, reminder notifications to return the legacy transfer paperwork will be sent out via Parent Square to any families we have not heard from

**IntRA/Inter District
Transfers for the
2025-26 school year
will open on
Monday, April 7th**

Highlights (we've been busy)

- 1 Transportation: CHS
- 2 HS pathways: dual enrollment, CTE/ROP, and early college
- 3 MS elective: Intro to Agriculture
- 4 Expanded Learning @ S/B and CHS
- 5 Facilities Work @ CHS
- 6 Ordering equipment: athletics, arts, library
- 7 Hiring staff: Principal, S/B Secretary & FOL
- 8 Hiring staff: CHS AD, CHS Band/Choir Director
- 9 S/B School Name, CHS & CEHS Colors and Mascots

Transportation

Designated bus stops will be assigned to all students attending CHS who are outside of the two-mile radius.

Students who are on an **IntRADistrict & Legacy Transfer** will NOT receive district transportation UNLESS they are attending CHS (Central High School)**

IntERdistrict transfer applies to a student who resides outside of the district boundaries

IntRADistrict transfer applies to a student who resides inside the district boundaries but outside a specific school boundary

Students who are on an **IntERdistrict Transfer** would be required to provide their own transportation services.

FAX bus passes are available for any student who is not assigned a CentralUSD bus stop - this includes students on intra and inter district transfers

- Family Services & Child Development
- Fashion Design
- Patient Care
(Sports Medicine & Athletic Training)
- Production and Managerial Arts
(Video Production)
- Systems, Diagnostics, Services, and Repair
(Automotive Technology & Systems)

Dual Enrollment Offerings and All Schools

Central Unified secondary students (grades 10th - 12th) currently have varying access to dual enrollment courses. Each of our 3 comprehensive high schools offers a minimum of 12 dual enrollment units to students as part of the seat-based regular school day. Providing additional courses in an asynchronous model outside of the regular school day allows equitable access for students to earn dual enrollment credits.

Course Model:

- Dual Enrollment courses would be selected in agreement with SCCCD based on student interest and college availability.
- Courses will be offered for dual credit from both Central Unified and SCCCD.
- Courses would vary from semester to semester and are subject to instructor availability and cooperation with academic departments within the college of our dual enrollment partners.
- Courses would be provided to students in an asynchronous model.

Student Criteria:

- These courses would be available to 10th - 12th grade students.
- Students must participate in all seat-based dual enrollment offerings at their school of residence prior to being eligible for extended-day dual enrollment options.
- Students enrolling in a college course for the first time should have a 2.75 cumulative GPA.
- Students who have had previous success in a college course will be considered with a 2.5 GPA subject to parent and instructor approval.
- A grade of D or F in any college course or dropping below a 2.0 GPA will be an automatic removal from the program.
- Students are allowed to complete the course asynchronously unless they fall below a C. Students below a C will be required to attend in-person check-ins with the facilitator.
- Students will be dropped 1 day prior to the Census or at the final drop date (W) if their grade is at risk of failing.

Expanded Learning Program

Shields-Brawley Elementary

Program will be funded through ELOP funds until we can apply for ACES and/or 21st Century the following year

Program will receive funding and staffing similar to other sites with comparable enrollment numbers

Comparable site: River Bluff Elementary School
Staffing: 1 Site Lead, 1 Assistant
Site Lead, 15 Paras

Central High School

CHS has been funded for the 24/25 school year through the 5 year ASSETS grant.

They have received \$219,245

ASSETS grant can be used for afterschool program, intersessions, weekends, etc.

Site lead started on 12/02/24

Program will start in January 2025

Facilities Work at CHS

Site Painting Exterior Improvements

*Working on design
and will be bid out
(Summer 2025)

Weight Room Improvements

*Paint (completed)
*New equipment
(Spring 2025)

Wrestling Room Improvements

*Paint
(Spring 2025)

Lighting Improvements

*Campus Wide LED
upgrades(completed)

Gym Improvements

*Refinish gym floor
(Spring 2025)
*Paint Interior
-Foyer (Spring 2025)
-Interior of Gym
(Spring 2025)
*New Scoreboards
(Summer 2025)

VAPA Room Improvements

*Demolition
(Winter 2024)
*New flooring
(Spring 2025)
*Paint interior of
room (Spring 2025)

Preparation: Staffing & Materials

Employment Transfer Process for Certificated and Classified Employees

- 1 Certificated Voluntary Transfer Form (now electronic): opens December - February 1
- 2 School Overview Presentations: January - February

Classroom and Program Materials

- 1 Order classroom technology and program equipment and uniforms: Spring
- 2 MOT Moving Guidelines and Support: After Spring Break - June

School Name, Colors and Mascots

New Elementary School

Naming of School

- January 14, 2025 Board meeting (info)
- February 11, 2025 (action)

Colors and Mascot

- New principal will develop with incoming students and staff - by May 2025

Central East and Central High School

Students at CEHS/RV (over 1,500 responses), and CHS/EC (over 500 responses) participated in a survey for their high school based on newly adopted boundaries.

- CEHS selected a new mascot. 64% of students surveyed selected the Kodiak.
- CHS selected new colors. 72% of students surveyed selected replacing the traditional orange/black with orange/gray.
- CEHS will retain the current Orange /Black, and their current claw.
- CHS will retain the current Grizzlies mascot, and their current Crest.
