

UPDATED JANUARY 2024

COVID-19 GUIDELINES FOR

The California Department of Public Health has issued new requirements regarding the management of COVID on school campuses.

Students

IF YOU HAVE ANY OF THE SYMPTOMS BELOW, PLEASE STAY HOME!

body or muscle aches

fatigue

new loss of taste or smell

chills (with or without fever)

fever

runny nose or congestion

cough

headache

sore throat

difficulty breathing or short of breath

nausea, vomiting or diarrhea

COVID-19 TESTS ARE AVAILABLE

Rapid Antigen COVID-19 home tests are available by request for Central Unified students and staff at all school sites.

IF A STUDENT IS SICK:

Stay home and return when:

- ☒ Symptoms have improved
- ☒ Are fever-free for 24 hours (1 day) WITHOUT the use of fever-reducing medications
- ☒ A mask is recommended when around other people indoors for 10 days after the student becomes sick

IF A STUDENT HAS A POSITIVE COVID-19 TEST:

Students who test positive for COVID-19 and are sick (OR) test positive and are asymptomatic, stay home and may return when:

- ☒ Symptoms have improved
- ☒ Are fever-free for 24 hours (1 day) WITHOUT the use of fever-reducing medications
- ☒ A mask is recommended when around other people indoors or for 10 days after the student becomes sick
