The NJDOE will review your submission and contact you only if there are questions, such as if the posted test results are inaccessible.

Only one SOA per entity (District, Charter, APSSD, Early Childcare, etc.) that includes testing information for all facilities is accepted by our system. If more than one SOA is submitted, we will retain the most recently submitted version. If you submitted more than one SOA and it is not consolidated for all facilities, please contact us.

For more information, visit Testing for Lead in School Drinking Water.

For questions, email leadtesting@doe.nj.gov.
