Parents & Students Initial Below: Student In./Parent In.	By signing your initials, you are acknowledging that you have read and understand the expectations of our student drivers.
/	Safety is a priority at WBHS, and our expectations are high for all drivers. All students driving and parking on school property must hold a valid operator's license. Upon approval, the parking fee for a decal is \$60.00
/	The person registering the car at WBHS is the only person permitted to operate said vehicle on school grounds. Friends, classmates, or family members are NOT permitted to drive the permitted vehicle on campus. Parking permits are non-transferable to another individual. No fraudulent use of parking permits will be allowed. <u>If a decal is found on another vehicle, both parties will lose their decals and will face permanent disciplinary actions.</u>
/	Vehicles operated on school grounds must be in safe operating condition. School personnel may deem vehicles are unsafe.
/	If you park in unauthorized areas, such as staff spots, handicap spots, other student spots, vacant spots, fire lanes, or if you double-park, you will lose your parking decal. Students may only park in the Student Lot on the south side of campus. Also, do not park in unauthorized areas nearby, like Malibu Bay, Chapel Trail, or local businesses.
/	Student vehicles on campus may be searched if there is reasonable suspicion of illegal objects and substances. Weapons, drugs, alcohol, vapes, paraphernalia, and any other prohibited items outlined in the Code of Conduct are not allowed on campus at any time, and all vehicles are subject to search. The display of offensive flags, bumper stickers, words, or other materials on a vehicle is also prohibited. Violations of these rules will lead to disciplinary action, loss of parking decal, and notification of authorities. Decal holders are responsible for all items found in their vehicle.
/	<u>Students may not remain in vehicles or return to them after arriving on campus.</u> Once a student is on school grounds the only way she/he may leave campus is by following the sign-out procedure. <u>Students may not enter the parking area at any time during the school day without administrator's approval.</u> Failure to adhere to these rules will result in loss of parking decal.
/	Motorcycles must be parked in the designated area. A student parking decal must be displayed. Students driving a motorcycle must wear a helmet while on campus.
/	<u>Leaving school without permission</u> or your vehicle being used by others to break school rules [sneaking students off campus] will result in disciplinary actions including <u>revocation of the Parking Decal.</u>
/	Failure to abide by the established traffic patterns, failure to abide by the posted speed limits [5 MPH], careless or unsafe operations of a vehicle [spinning tires, revving engines, etc.] will be grounds to revoke and/or deny parking privileges. Students must STOP at all stop signs and stop bars painted on the ground and at all intersections on campus or their decal will be revoked. Florida statute 316.3045 prohibits loud music that's plainly audible within 25 feet. This law will allow law enforcement to give tickets to drivers playing music too loudly in their cars.

/	Students who already have a parking decal and need to drive a different vehicle temporarily must obtain a temporary decal. Bring the registration and insurance card to the Main Office to receive a temporary decal. Arrive early that day! Temporary decals must be affixed to rear view mirror or properly placed on the driver's side dashboard with their information facing out. Anyone involved in duplicating decals will be subject to school consequences including decal revocation.
/	Students who change vehicles must notify the school prior to receiving a new decal. Students must bring in the new vehicle registration, insurance card, and application in order to receive a new decal. Old decals <u>must be scraped off</u> and turned in prior to receiving a new decal. If the old decal is not brought in, a new decal may not be available.
/	Student drivers are <u>NOT permitted to use a cell phone while operating</u> a vehicle on the campus of WBHS. Texting, talking, or use of social media applications is prohibited because it distracts the driver and creates an unsafe environment.
/	Failure to abide by any of the above rules will suspend your parking privilege for the remainder of the school year. Once a parking decal is revoked for breaking the above rules and/or guidelines, the student will not park on campus for the rest of the school year.

/	Students who do not maintain an unweighted 2.5 GPA, skip class, and/or have discipline problems are subject to revocation of parking permit. Decals will be revoked if the unweighted GPA falls below 2.5.
/	Excessive absences, tardies to school and/or to class, or early sign-in/ sign-outs may result in driving privileges being suspended & revoked. Administration may require documentation for early release or late sign-in if a pattern of nonattendance is presented.
/	Internal or External Suspension from school may result in parking privileges being suspended & revoked in addition to the initial consequences determined by the discipline matrix.
/	Students must have original WBHS decal properly displayed on the <u>front lower driver side corner</u> of the windshield and WBHS decal properly displayed in the <u>lower driver side rear window</u>
