Map/Data Disclaimer/Warranty:
This map product is a graphical representation, which may include and/or depict integrated datasets and/or layers derived from various data sources. The data represented on this map is based upon best compilation of available data as referenced specifically under "Data Source(s)". These and/or other relevant datasets necessary for this project were imported into a consolidated GIS database for use in this project. The data was then modeled and tabulated (as applicable) using computerized GIS Software tools and methods. Although the data/information represented on this map is from a recognized source(s), and deemed highly reliable, GST offers no warranties regarding its content or accuracy, accepts no liability for its use, nor offers any guarantees regarding its suitability for a specific purpose.
***Important Disclaimer:**
School District Boundaries have been verified using Legal Descriptions provided by Riverside County Office of Education; Trustee Area Boundaries have been verified using Legal Descriptions provided by Riverside County Office of Education and/or Legal Descriptions provided to the districts by various demographic agencies. General descriptions are not legal descriptions, which have been reviewed for cartographic standards and certified by a Licensed Land Surveyor. GST/Hollister-Powell has utilized best guidelines, practices, techniques, and interpretations available in verifying Trustee Area boundaries based upon these general written descriptions. Nevertheless, General Descriptions do not have the same merit as Legal Descriptions, cannot be recognized beyond that of geographical representations, and do not constitute a legally binding review of boundaries.
