

Welcome to Kindergarten

About Me

Hello! My name is Ms. Beckering, and I am SO excited to welcome you to our Kindergarten class this year! This will be my 7th year teaching Kindergarten, and I can't wait for all the fun and learning we'll do together.

When I'm not at school, I love reading, golfing, and spending time with my family. One of my favorite places to relax is the bookstore. I absolutely love books, and we'll be doing a lot of reading in our classroom!

This year is especially exciting for me because I'm getting married this fall! I can't wait to share this special season with all of you.
