

Meet Your Teacher

MRS. BIGGER

About Me

I have wanted to be a teacher since MY first day of Kindergarten and I am very happy to be entering my twentieth year at Northview. I graduated from Western Michigan with a degree in Elementary Education and Early Childhood. In my family is my husband, Bryan, and three sons. Blake who is 14, Bo who is turning 4, and Clay who is turning 2, both in August! We also have a dog named Lily and a cat named Ivy. My spare time is limited, but I love to spend it with family and friends, as well as participating in a large variety of activities outdoors, like camping!

I cannot wait to learn all about you, too!

My Family
