Champions Before and After School Programs

Champions, a division of KinderCare Learning Companies, is pleased to provide their Cognia accredited out-of-school-time program for Deal School. Champions is designed to provide children with a safe, caring, fun, and enriching “home away from home” during their out-of-school-time hours.

Their before-and-after-school programs will be open to all students and will be held on-site at Deal School.

Guided by passionate teachers, children in the Champions program will have the opportunity to explore their curiosity and interests and build confidence and community through hands-on projects and activities. In addition, time, space and supplies are available to support children in completing their homework; Champions teachers will assist and encourage them.

Champions also offers daily fitness and snacks and will help children develop healthy habits by promoting proper nutrition and physical activity.
