Board of Education Approves New Principal at Lawrence North High School

INDIANAPOLIS – This evening, the Board of Education for the Metropolitan School District of Lawrence Township approved the appointment of Mr. Jason Floyd as the principal of Lawrence North High School. Mr. Floyd brings 22 years of educational experience as a teacher and administrator to this new role, having served as the Assistant Principal at Lawrence North since 2015. Floyd shares:

My leadership philosophy is to leave things better than I found them. This is built upon four educational leadership building blocks: Curricular Focus, Clear Communication, Building Relationships, and Honesty. As the Principal of Lawrence North High School, I will be committed to being the best, not just as an educator but also as a mentor to the students and faculty. My passion for being a role model and my leadership skills will ensure that focused and effective educational programs are executed more successfully to attain the school's goals. I am dedicated to Lawrence North High School's success and eager to contribute to its continued growth and excellence.

According to Superintendent of Schools, Dr. Shawn A. Smith. “Mr. Floyd’s deep knowledge of our students, staff, and families — combined with his unwavering commitment to educational excellence — makes him the ideal choice to lead Lawrence North into the future. He is a true leader of teachers.

Mr. Floyd has served at Lawrence North High School since 2003, teaching all areas of science until 2015 when he transitioned into administration. During his ten years as an assistant principal at Lawrence North High School he has adeptly managed a wide range of duties and responsibilities, including overseeing student discipline, supervising staff, managing school safety protocols, implementing academic programs, and fostering positive relationships with students, parents, and the community.

He earned a Bachelors Degree in Science Education with a primary focus on Biology and secondary focus on Chemistry at Indiana State University in 2003. He holds a Master of Science in Educational Leadership (2014) from Butler University.

About the Metropolitan School District of Lawrence Township:

The fifth largest school district in the state, the MSD of Lawrence Township serves approximately 17,000 students across four Early Learning Centers, eleven Elementary Schools, two Middle Schools, two High Schools, a Center for Innovation and Technology, and an alternative setting high school. Lawrence Township strives to be the district of destination, a reputation built over the years based on the district’s award-winning staff, accomplished administrators, high-achieving students, supportive community, and innovative educational programs.
