WHAT IS TITLE I?

WHAT IS A FAMILY-SCHOOL COMPACT?

A Title I Family-School compact is an agreement that explains how families and staff will work together to make sure all students reach and exceed grade level standards. The families and staff at each school annually discuss, review and this Title I Family-School compact.

Minnesota's English Language Arts (ELA) standards are taught in all grades, 6th-8th, using Amplify ELA curriculum. Students learn to tackle complex text and make observations, grapple with interesting ideas, and find relevance for themselves.

When extra support is needed, research-based interventions may be provided.

CPM Curriculum Program is committed to providing meaningful math content along with purposeful teacher support to empower all students to become mathematically confident in the world today.

Students work on hands-on activities for exploring, developing, testing, discussing and applying concepts. The opportunity to solve problems in multiple ways helps students build more flexible and efficient problem solving strategies.

When extra support is needed, intervention programs may be used.
