Dear Parents and Guardians,

This notice is to inform you about important guidelines regarding the use of school-issued devices and the monitoring of their features.

In accordance with district policy and legal regulations, school districts and technology providers are prohibited from electronically accessing or monitoring the following:

- The location tracking features of school-issued devices
- The audio or visual receiving, transmitting, or recording features of these devices
- Student interactions with school-issued devices, including keystrokes and web-browsing activities

There are specific exceptions to this policy, which include:

1. Educational purposes for instruction, technical support, or exam proctoring with prior notice
2. Situations involving a judicial warrant
3. Instances where a device is reported missing
4. Circumstances necessary to prevent or respond to a threat to life or safety
5. Compliance with federal or state laws, or participation in federal or state funding programs

We take the privacy and safety of our students very seriously and are committed to providing a secure learning environment. If you have any questions or concerns, please do not hesitate to reach out to your building principal.

Thank you for your continued support!

Sincerely,

Dr. Kristin Barker
