Goodbye to Staff

We say goodbye and extend our heartfelt gratitude to the staff members who are leaving our school. Their dedication, compassion, and years of hard work have made a lasting impact on our community. Whether in the classroom, the office, or behind the scenes, their contributions have shaped countless lives and helped build the supportive environment our students thrive in. Though we are sad to see them go, we are grateful for the time we've shared and hope all the best for them.

kind.
