## CONGRATULATIONS CLASS OF 2025!

Congratulations to the over 1,000 graduates of Churchill, Franklin, and Stevenson high schools! This year, 214 students graduated Summa Cum Laude (3.95 GPA and above); 94 graduated Magna Cum Laude (3.75-3.94 GPA); and 104 graduated Cum Laude (3.5-3.74 GPA).

A large section of this edition of the Dialog is dedicated to the Class of 2025. We hope you enjoy reading about just a few of our many talented and accomplished students.

Class of 2025, you are Livonia Pride!

## FROM SUPERINTENDENT ANDREA OQUIST

Dear LPS Community,

What a joyful and exciting time of year! As we wrap up another amazing school year, it's the perfect moment to celebrate the personal growth, academic successes, and meaningful relationships that have inspired each of us to be our best selves. Collectively, we power one another in all that we do!

The 2024-2025 school year brought some truly memorable milestones. One of the most significant was the August opening of the Livonia Early Childhood Center—our district's first new building in more than 50 years! This beautiful, state-of-the-art center is already proving to be a magical place for our youngest learners, and we are so proud to welcome them into this nurturing space. We remain incredibly grateful to our community for the 2021 bond approval, which brought this project—and many other improvements across our schools—to life. The ribbon-cutting ceremony was a hallmark moment, not just for our district, but for the entire Livonia community. Additional highlights from the year fill the pages ahead!

As you explore this special Graduation issue of the Dialog, I hope you feel that same pride—knowing that your support, as a valued member of our community, has helped bring our graduates to this doorstep to their futures. The Class of 2025 is a remarkable one, and I wish each of our graduates a future that challenges, inspires and fulfills them!

## CONTINUED FROM PAGE 1

Within these pages, you'll see accomplishments that reflect our students' hard work across academics, athletics, service, and character. You'll also notice something else—the "intangibles." The qualities that go beyond test scores or trophies. These are the soft skills and character traits we deeply value and strive to nurture in every LPS student. On page 9, you'll find an overview of a very special initiative: the Portrait of an LPS Graduate.

This work was thoughtfully imagined and developed by our LPS Vision Forward team, made up of high school students, staff, administrators, parents, and community partners. Over two years, this passionate group created a shared vision of the traits we hope every student develops by the time they graduate from Livonia Public Schools. I'm so grateful to everyone who contributed to this meaningful process.

The Portrait of a Graduate represents more than just academic goals—it highlights the traits and life skills we believe are essential for success, no matter the path our students choose after graduation.

We envision every graduate leaving our district as:

- **Confident:** I have initiative, integrity and empathy. I possess the knowledge and skills necessary for my future success.
- **Critical Thinker:** I anticipate, identify and evaluate ideas while showing perseverance and resilience in working through them.
- **Contributor:** I actively participate in my community and make concerted efforts to positively impact others through advocacy and action.
- **Collaborator:** I welcome and seek engaging with people of diverse skills, backgrounds and beliefs to accomplish goals and tasks.
- **Curious:** I have a learner's mindset, curiosity and creativity fuel my thinking. I am flexible and approach new opportunities with wonder.
- **Communicator:** I make my point clearly and persuasively through my writing, speech and body language. I listen to others and respond thoughtfully.

Each statement is written from the voice of a graduate—a deliberate and meaningful choice by our Vision Forward team—to emphasize that these are personal aspirations, grown and nurtured over a student's time in LPS.

This Portrait will serve as our compass moving forward, shaping the way we teach, support, and connect with students from kindergarten all the way to graduation. It's an ambitious vision – and one that we are honored and excited to pursue.

To our LPS families—thank you. We know the trust you place in us every day by sending your child to our schools. As both an educator and a mom, I hold that responsibility close to my heart. Your children are truly the most precious part of your lives, and it is a privilege to be part of their journey.

As summer approaches, I hope your family finds time to rest, recharge, and enjoy some special moments together. We are looking forward to all that the next school year will bring, especially as we begin to bring the Portrait of a Graduate to life in new and inspiring ways.

Thank you for being such a vital part of our school community. Wishing you a safe, joyful, and relaxing summer!

With my best,

Andrea Oquist, Superintendent

"I want to thank all of the teachers and peers I've been fortunate enough to come across these past 12 years. Without them, I wouldn't be a fraction of the person that I am today. **My time in LPS has taught me patience, resilience, empathy, and so much more.** I truly appreciate the opportunities that Churchill has presented to me; the MSC program and numerous sports and clubs have allowed me to flourish as a student and person. I am sad to be leaving, but thankful that I had the experience that I did. Thank you CHS and LPS!"

-Ethan Slesak

## MATH/SCIENCE/COMPUTER (MSC) PROGRAM GRADUATES

The Livonia Math/Science/Computer (MSC) Program was founded in 1984 and is housed at Churchill High School. MSC is celebrating the conclusion of its 41st year. MSC graduates have completed a minimum of 23 semesters of coursework in mathematics, science, and computer science. The foundation of the MSC curriculum is the College Board Advanced Placement exams. Students apply for the MSC program during the fall of their 8th grade year, and selection is based on academic test scores, student essays, and teacher recommendations. The MSC program is open to students from all three LPS high school attendance areas. This year's MSC graduates were collectively awarded \$4.9 million in scholarships.

# PORTRAIT OF AN LPS GRADUATE

It's graduation season, and the perfect time to reflect on the journey our grads have taken throughout their time in Livonia Public Schools. Over the course of the past year, our Vision Forward team of staff, students, parents, and administrators took on a special project called "Portrait of an LPS Graduate." This project aimed to identify and define the personal character traits that we aspire every LPS grad to attain throughout their years in our school district.

We believe that a successful graduate encapsulates the attributes and competencies we strive to cultivate in every student, preparing them for future success in their personal and professional lives. # LPS STUDENTS MADE A DIFFERENCE!

Our LPS students always astound us with their dedication and effort to help those in need!

The annual Livonia PTSA Council's Youth Making a Difference program enables hundreds of LPS students to do just that! This year, students on their own time committed to a project that would help others - whether it was raising funds for a local charity, making cards for children who are in the hospital, or simply cleaning a local park. There were so many thoughtful projects on display, that had meaningful impacts on our community. When service to others is encouraged at this age, the future is bright!

A big "Thank You" to the PTSA Council, for keeping this tradition alive and well in Livonia Public Schools!

# GREENMEAD FIELD TRIP SUPPORT APPRECIATED

Livonia Public Schools would like to give a huge THANK YOU to the Livonia Historical Society and the Hardies Family Trust for donating funds to send all of our LPS second-grade students on a very special field trip to the Newburg School at Greenmead Historical Park!

Students gain so much knowledge and first-hand experience, seeing and feeling what life must have been like in the "olden days." The support from the Livonia Historical Society and the Hardies Family Trust has grown over the years, from funding four classes to now covering the cost for a whopping 43 second-grade classes to visit the school house at Greenmead in the spring!

Thank you, thank you, thank you! What a wonderful community partnership that brings lasting memories to our second-grade students!

## LPS STEM PROGRAMS HONORED

Our elementary schools have been named PLTW Distinguished Launch Schools! This honor recognizes that our elementary schools are absolutely rocking the Project Lead the Way program in our STEM specials classes! This is a proud moment for our district's recently expanded STEM pathway, which now stretches from K-12! Way to go!

## STAR AWARDS!

A great fundraising idea has quickly become a new tradition in Livonia Public Schools! The Star Awards program allows anyone to make a \$25 donation to issue a custom-made Star Award to someone who they appreciate at their school or office. The certificates are personally delivered by Foundation members, and photos are circulated on social media and the Foundation Website for all to see and share in the appreciation!

It has been so much fun, watching the excitement and feeling the joy that a Star Award can bring to brighten someone's day! The best part? All proceeds go toward the Foundation's Grant Program, so funds go directly to enhance learning in LPS! Star Awards can be purchased at any time at <https://lpsfoundation.org/starawards/>
