Subject: Consider and Approve Compensation Increase for Substitute Teachers

Executive Summary:
Based on the current financial state of the district, administration recommends an increase to all substitute teachers pay categories in the amount of $5 per day resulting in a pay structure as follows.

Sub Type	Daily Rate Current	Daily Rate Proposed
Certified Sub	$100	$105
on 11th day	$125	$130
on 21st day	$150	$155
Degreed Sub	$90	$95
on 11th day	$110	$115
on 21st day	$120	$125
Non-Degreed Sub	$80	$85
on 11th day	$90	$95

This increase will cost the district approximately $88,384.05 annually and provide an increase in substitute teacher pay of about 4.42%. It is important to note, this category of support for our campuses has not received a pay increase since the 2019-2020 school year. With this increase administration is hoping to attract and retain quality talent in our substitute teacher pool.
