AUTO BODY COLLISION REPAIR

2698 N. Brawley Ave.
Fresno, CA. 93722
559-276-5230

Course Information

Students will be prepared for entry-level positions in the autobody collision industry.

During this 14 week course, students spend 6 weeks receiving in-class instruction which include I-Car Certification. The next 3 weeks are spent learning at instructors' auto body shop, and the remaining 5 weeks are spent at community auto body shops where the students will gain valuable hands-on experience.
