Comments

Board Member Steve Corona commented that our buildings are an asset to Fort Wayne neighborhoods. Member Corona has visited many school buildings throughout the nation and they are not as well kept as our district's buildings. Member Corona acknowledged the passing of Ann Silletto a school Board member from 1979-1987 and past Board President. Mr. Corona also commented that per the Journal Gazette listing of the top FWCS graduates, he is disappointed in the under representation of black students. It is a community issue. We need our black students to be part of the success.

Board Member Julie Hollingsworth thanked the community for their support of our district with regard to building referendums, as FWCS couldn't have done it without the community valuing public education. She was impressed with tonight's presentation. Member Hollingsworth attended Snider graduation and enjoyed seeing how appreciative students and their families are. She was excited to be a part.

Board Member Noah Smith commented that it has been a busy few weeks wrapping up the school year. Thanked Dr. Daniel and other staff who attended all the graduations. It is fun to congratulate the students. Member Smith acknowledged and thanked Darren, Heather and Rosie, along with Dr. Daniel on the Snider stadium. Mr. Smith also congratulated Snider's baseball team and wished them good luck at Semi State.

Board Member Jennifer Matthias thanked the Facilities Department for coming tonight. Her fellow Board members have said most of what she wanted to say, but she also wanted to comment. Member Matthias is always impressed with our buildings, they do a fantastic job.

Board Member Anne Duff saw in the newspaper that a Jefferson student won the ACPL library card design contest. Member Duff thanked Rosie Shipman for her assistance in helping her with last weekend's League of Women Voters Convention. There was not a lot of positive news to share, but we still need to inform the public on what is really happening in public education.

Superintendent Dr. Mark Daniel thanked Heather and Darren, along with their team. Improving facilities makes a difference, from curb appeal to the inside. Preliminary speaking we are seeing rather significant results in our IREAD. Intentionality, dialing it down, seeing it in our reading scores. Shook over 1800 student hands at graduation, great to see these young adults. FWCS has diversity and complexity. These graduates are now entering the workforce and contributing to the economic growth of the community. We are raising the expectations in social behavior, academics, and co-curriculars. We have unbelievable talent. We are changing the perception of our community, we are throwing the wrench into the spokes as an urban district, we are unique. Board thank you for your support. ESSER did help us, but it was well under way in the planning.

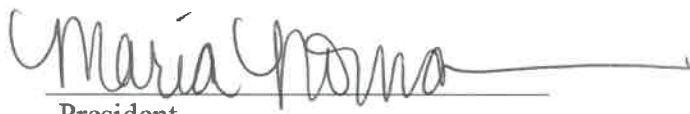

Board President Maria Norman thanked the Facilities Department. President Norman is blown away with buildings and landscaping, especially at Northrop. She is looking forward to seeing Wayne's finished product. President Norman loves our buildings and notices the hard work that has been done. Ms. Norman thanked the community, she was excited to be part of the Snider Stadium groundbreaking and having the opportunity to throw the first dirt. Many in the community are excited about the stadium, loves to read social media comments. Her favorite thing is to attend graduations to see the accomplishments and sheer joy as it is heartwarming.

Next Meeting The next regular meeting of the Board is scheduled for Monday, June 23, 2025, at 6:00 p.m. in the Lester L. Grile Administrative Center.

Signatures Documents to be signed by members of the Board were the Minutes from the regular Board meeting, held May 12, 2025 and for the Student Recognition Meeting held May 19, 2025; Vouchers for the period ending May 26, 2025 and June 9, 2025 and the payroll and supplemental pays for the periods ending May 2 and May 16, 2025.

Adjournment and Dismissal There being no further business and no general public comment, upon a motion by Julie Hollingsworth, seconded by Noah Smith, the meeting was adjourned at 8:03 p.m.
