### NOTES

For the 2025-2026 school year, 6th-grade students will use a 10th/11th Generation iPad.  
The only port on these iPads is a USB-C port.

Based on experience, D103 recommends one of the following headphone options for your student:

1. ANKER USB-C to 3.5mm adapter - This is an option IF your student has a current set of headphones with a traditional connector (3.5mm).  
OR
2. AVID AP-400 WonderEars Classroom Headphone with Microphone USB-C. Families can purchase at Amazon.com (make sure to select the USB-C style headphones)

**\*\*\*Cordless Bluetooth headphones are not recommended due to the need to keep them charged and because they are considered a security risk and potential disruption during state and local assessments.\*\*\***
