

Dear Parents/Guardians,

As you head into the summer months, I wanted to reach out to you with some important dates and information regarding the 2025-2026 middle school activities schedule. The following are dates to put into your calendar to prepare for next year before you head out on vacation:

- July 1 - Middle School Sports Registration Opens
- August 25 - Middle School Sports Fall Parents Meeting (6:00 @ Gallatin High School)
- August 26 - Equipment checkout for 7/8 grade football (4:00 @ CJMS/SMS)
- August 27 - First day of football AND volleyball practice (4:00)
- September 8 - Intramural tennis and 6th grade co-ed volleyball begins (3:45)

A couple of important reminders. Your child must have completed an updated 2025-2026 sports physical in order to be eligible to participate in middle school sports (***New this year, 6th graders will need a physical for ALL activities.**) In order for your child's physical to be current, it must have been completed AFTER May 1, 2025. Bozeman School District is transitioning to a new online registration platform this year, Arbiter. Similar to Dragonfly, you will need to create an account for your student, and all necessary documentation will be stored in this online platform; you WILL NOT turn in any paperwork to your child's school. A link to this new platform will be provided on the District Activities webpage once it is ready to launch. You will still pay for middle school sports via RevTrak (<https://bsd7.revtrak.net/>), and a printed receipt will be required as proof of payment. Completed game schedules will be made available at the Fall Sports Parent Meeting on August 25th.

2025-2026 Sports Fees are as follows (Fees are per sport):

7/8th Sports (Football, Volleyball, Basketball, Wrestling, Track) - \$120

6th Intramurals (Volleyball, Basketball, Track) - \$90

6/7/8 Tennis - \$90

6/7/8 Wrestling - \$120

I look forward to seeing you all in the Fall, but should you have questions over the summer, please do not hesitate to reach out.

Best,

Danny Waldo

Bozeman Middle School Activities Coordinator
