

ROSELAND SCHOOL DISTRICT PROP 28 ANNUAL REPORT

Summer 2024

ART EDUCATION PROGRAMS

All elementary students (Roseland Elementary, Sheppard Elementary, and Roseland Creek Elementary) participated in bi-weekly arts classes. Throughout the year, students received instruction in visual arts, music and dance lessons.

STAFF

Roseland District was unable to hire certificated or classified staff in the first year of implementation of Prop 28 funding. In an effort to ensure that students still received arts education classes, we partnered with Art & Soul of Creative Performing Arts. Consultant teachers from this organization taught the arts classes that students participated in.

STUDENTS SERVED

All students were served (1,528)

SCHOOL SITES

Art & Soul classes were provided to all elementary school students at Roseland Elementary, Sheppard Accelerated, and Roseland Creek.
