

## Payment Installment Schedule 2025–2026

The dates on which payments are due are as follows:

1 <sup>st</sup> Payment	2 <sup>nd</sup> Payment	3 <sup>rd</sup> Payment
Payments will be accepted between August 1 and August 14, 2025 for returning student(s) or within 7 calendar days of acceptance for new students.	Paid and confirmed by Nov. 10, 2025.	Paid and confirmed by Feb 13, 2026.

- During the application process, a mandatory application fee of \$250 must be submitted. Failure to pay this fee will result in your application being deemed incomplete.
- Upon acceptance, a reservation fee of \$750 is required to secure a place. This amount will be deducted from the total tuition and fees invoice.
- The capital development fee must be included in the first tuition payment, whether it is paid annually, in two, or three installments.
- Written applications for payment by installments, as chosen on ISD's Enrollment Contract, should be submitted as soon as possible. This should be no later than June 18, 2025, for returning families and upon acceptance for new families. Submission of an application to pay fees by installment via the Tuition Agreement Form implies full and unqualified acceptance of the conditions outlined here.
- Students must pay at least one installment, plus the capital fee (if applicable), before they can start school.
- Confirmation of payment is the responsibility of the parent/guardian. All payments are deemed "LATE" if the payer has not produced to the ISD Business Office printed documentation of the payment having been made on or before the due date.
- Installment payments not received by the due date will accumulate late fees at the rate of 1.5% per month on the accumulated outstanding balance for the number of days past due.
- Before departing for the summer, families may present a check for tuition dated August 1, 2025, to the ISD Business Office, which the office will not process until that date.
- Parents who select the single payment must pay at least the 1st installment by August 1st, or seven calendar days after their start date at ISD, and the balance by October 13, 2025. Unpaid balances after this date will automatically convert to a two-payment plan, incurring the standard installment fee.
- Parents who select the two-payment plan must pay all fees by November 20, 2025. Unpaid balances after this date will automatically convert to a three-payment plan, incurring the standard installment fee.
