A Guide to LAS Arrival Days

Travel Guide

Before You Travel

Submit your child's flight information on Orah.

Take photos of your checked luggage in case of lost bags.

Pack a change of clothes and toothbrush in your carry-on bag, just in case.

Staying in Contact

New students must have a cell phone that works in Switzerland upon arrival so they can contact the Administrator On Call (AOC), if needed.

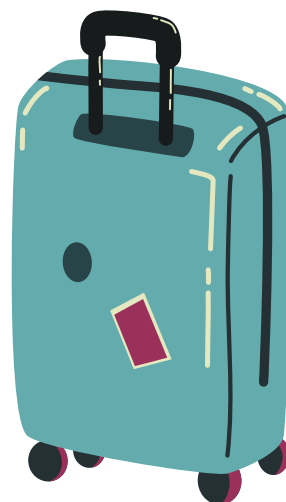

Returning students must have their LAS SIM card and a way to insert it into their phone upon arrival.

Luggage Information

You are responsible for your luggage—keep an eye on it at all times!

If your bag is DELAYED, wait until it arrives—no one else can claim your bags for you.

If your bag is LOST, file a lost luggage report BEFORE you leave the baggage area.

Travel Guide

Find LAS at GVA

To find the LAS desk:

- Exit the baggage claim area
- Turn left
- Walk down the corridor
- When you see the yellow pillars, look for the LAS signs!

If arriving after hours, look for the LAS staff outside baggage claim.

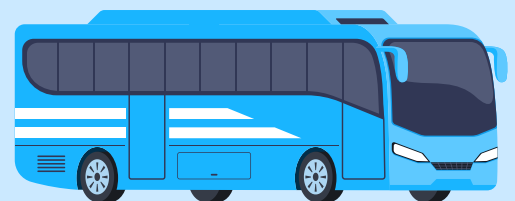

Make sure your flight arrives at least 45 minutes prior your shuttle.

Counterfeit Items

Swiss customs laws are very strict when it comes to counterfeit goods. Please do not bring or ship any items into Switzerland unless you can prove their authenticity—this includes clothing, accessories, and electronics. Large fines can apply and items may be confiscated. For new purchases, always keep receipts as proof of authenticity. You can read more about Switzerland's counterfeit item policy [here](#).

Stay Energized

Bring a few snacks in your carry-on baggage. It's a two-hour bus ride back to LAS from GVA, so make sure you have snacks even after you arrive. In addition, pack a reusable water bottle to stay hydrated, and be sure to have Swiss currency or a debit card to buy snacks during your journey.

Final Notes

Whether you're a returning student or a new member of our community, we can't wait to see you on the Magic Mountain!

For any questions while traveling, use the AOC number below. Make sure this is saved on your phone for emergency use.
