Parent Notification

W.J. Carroll Intermediate School is a Title I “Schoolwide” Program

Title I is a federal program designed to help students in our nation’s schools. In accordance with the *Every Student Succeeds Act of 2015 (ESSA)* and Title I, the goal is to help all children be successful at school. Schools in communities that meet the requirements use Title I funds to benefit the entire school. This type of program is known as a school-wide program. Title I school-wide programs use Title funds, along with other local, state, and federal funding to serve all students in the school. Individual students are not identified as participating in the Title I program.

Some of the benefits we may offer students include a weekly after-school math and/or reading tutorial program, tutoring during school hours, summer reading and/or math programs, a summer library program, parenting education workshops/meetings along with other educational resources.

Effective schools are the result of a dedicated faculty and staff working together with families and the community to share in the success of all students at school. Increased student self-esteem occurs when parents and teachers collaborate to ensure learning takes place at the school, in the home, and in the community.

Appointments must be made to coincide with the teachers' schedules. **Please do not come to see a teacher without a scheduled appointment.** This may be done through your child's teacher.
- N) Promotion Standards:** The decision to promote a student is based on the student's performance during the school year. The decision is a professional one and is the responsibility of the teacher and the Principal or that person's designee. Parent/teacher conferences are highly recommended for students with academic deficiencies. Students of Grades 1-6 must meet criteria established for each grade level to be considered for promotion. Additional information can be found under the Baldwin County Board Policy Manual under section VII. Instructional Program Item 7.3.4 *Promotion and Retention of Academic Standards*.
- O) Care Of Property: (BOE Policy #4.4)** Every pupil shall be a protector and caretaker of school property. Pupils who injure, deface or destroy any property of the school system shall be required to pay for damages. Pupils shall respect the property rights of others. Liability limit up to \$1,000.00 – Act 94-819
- Students should have the proper materials and supplies for all classes. The appropriate supply list can be found on the school website. The student is responsible for bringing all supplies to each class.
- P) Telephone:** The telephone in the office is for school business and may be used by students with teacher permission. **Students should make arrangements before they leave home as to transportation, after school plans, etc. In extreme cases, we will deliver messages to students, but this should be avoided if at all possible especially for transportation changes after 2:30pm.**
- Each parent should make some plan with their child as to what they should do in the event school should be unexpectedly dismissed early. Your child should know your plans and what to do in case of rain, etc.
- Q) Bicycles:** If a student rides his/her bicycle to school, it should be securely locked in the bicycle rack. Please observe proper and safe behavior while riding to and from school. Bikes may not be ridden on school property. Alabama Bicycle Laws require a helmet on cyclists and passengers under 16 years of age.
- R) Change of Address and Phone Number:** It is important that you inform the office **IMMEDIATELY** when you change your address, telephone number, place of employment or emergency contacts. Please send those changes to your child's homeroom teacher in writing to be forwarded to the office or send any changes to our Registrar, Jennifer Tillman at jtillman@bcbe.org.

field trip activities. Students must ride the county school bus and should not be removed from a field trip at any point during the trip by parents or others unless a letter or email is on file in the school office and approved by the Principal or that person's designee prior to leaving the school. A field trip is an extension of the school campus. A student could lose the privilege of attending a field trip due to inappropriate and unacceptable behavior in the classroom or on the school bus. A behavior contract may be put in place prior to the field trip to monitor a student's behavior. Any student that receives a discipline referral to the office ten days (two school weeks) before a field trip/event may be denied participation in that field trip/event as a disciplinary measure. There is a **"No Refund"** policy on all field trips.

V) Cell Phones/Electronic Communication Devices:(BOE POLICY #6.21) Prohibited by Alabama Law

W). Lunchroom: Our lunchroom offers well-balanced meals to students on a daily basis. Menus are printed at the beginning of each month to assist parents and students. The menus are also located on the BCBE website. Should lunch be brought from home, parents should not send carbonated beverages or candy as part of a child's lunch.

Each part of the school day is an opportunity for students to learn. Lunch time is an appropriate time for students to build social skills and relationships with their peers. Daily visitors during lunch may interfere with students engaging in social practice. This is why invitations for outside visitors to eat in our cafeteria will be limited to special events. Accommodating visitors into shared spaces such as the cafeteria requires pre-planning and may also disrupt the daily schedule. If you are a visitor during lunch, you will be assigned to sit in a designated area with your child away from other students. Keep in mind, we need your support in adhering to the State and Health guidelines for meals and snacking by refraining from bringing fast food.

The Child Nutrition Program of the Baldwin County Board of Education uses the PCS Revenue Control System throughout the county in all their school cafeterias. This system is accessed by all students with a keypad and personal identification number (PIN) as they go through the cafeteria line.

Students may bring money each day to pay for a la carte items, although parents are encouraged to place funds in their student's account in advance. Accounts will be debited at the point-of-sale. Prepaid money sent in advance may be used by the student for any purchase in the school cafeteria. Each student will receive a PIN that will remain the same until that student leaves the Baldwin County School System. Any money that is left in the account at the end of the year will be available at the beginning of the new school year in the student's account. Remind your child not to share their PIN with other students.

Checks must be made only for the amount that is going into your cafeteria account. Do not include money for field trips, book fairs, etc. with your child's cafeteria money. No change can be given from a check and we are not allowed to cash checks for anyone. Checks may be made for a maximum amount of \$500.00 at a time.

For questions concerning the PCS Revenue Control System, please contact Erin Miller, Baldwin County Child Nutrition Supervisor, at 580-1838.

We also request that the water bottle be transparent because only water is the allowable substance during the school day. Please make sure it also completely seals to avoid spillage.

EMERGENCY PROCEDURES

Fire- In case of a fire emergency, the signal to evacuate the building will be the continuous sounding of the emergency alarm. There will be an evacuation plan posted in each classroom. Each teacher will instruct children regarding specific procedures.

Tornado -In case of a tornado emergency, there will be an announcement to warn of the emergency. When students are asked to assume the "tornado position", they are to do the following:

1. Sit on the floor with their knees to the wall, students putting their heads on their knees and hands on the back of their head.
2. Remain quiet until all clear is sounded.

Lockdown- In the event a lockdown is needed for the protection of our students, the Centegix Badge System will be initiated. Each teacher will then instruct children regarding specific procedures.

TRAFFIC PROCEDURES

Morning arrival and afternoon dismissal are times we must be patient, cautious and have safety in mind first and foremost. We appreciate your support! Because of these intentions, we ask everyone to follow certain rules:

- ❑ Everyone walking—**PLEASE CROSS BY THE TRAFFIC GUARD OR OUR SRO.**
- ❑ Children being brought to school should be let out in the designated canopy area on the south side of campus only and not before the teachers are on duty at **7:20 AM**. Children should not be let off anywhere else during the morning car rider time.
- ❑ When loading or unloading, please pull your vehicle up as far as possible so other vehicles may load and unload at the same time.

Dismissal

- ❑ Students are dismissed at 2:55.
- ❑ Parents are asked to stay in their vehicles when picking up children. It creates confusion when parents are trying to pick up children from the sidewalk. Do not leave your vehicle unattended in the car-rider line.
- ❑ Students will not be allowed to walk to their vehicle before it arrives at the designated pick-up point.
- ❑ Please do not arrange off-campus car pick-up. This is dangerous and causes pick-up problems.
- ❑ Children not picked up by 3:10 will be sent to the office.
- ❑ Refrain from using your cell phone during this time.
- ❑ The lead teacher will sound the whistle twice. This is the signal to the students that the traffic will begin moving. No one will be allowed to load until the next wave.
- ❑ The lead teacher will sound the whistle once. This is the signal for the students to load the **first eight** vehicles in each row only.
- ❑ In the event your child is not in the car line when your wave is loading, you will be directed to pull up to a designated zone to wait for your child. The lead teacher will escort your child to the car during the next wave.

Traffic Pattern

1. Enter on Thomas Avenue.
2. Immediately turn left onto our campus.
3. Proceed through the back of the parking lot.
4. In the afternoon, begin forming two lines as you drive to the back of the campus. Do not block Thomas Avenue by starting two lines prior to entering our campus.
