

NCPS School Health Requirements

ANY student
enrolling in
NC Public
School for the
first time

North Carolina Health Assessment

- Must be submitted on the NC Health Assessment Transmittal Form
- Must be completed by student's healthcare provider no more than 1 year before the first day of school attendance
- Must be received at the school by the 30th day of school attendance. Failure to turn in the form will result in exclusion from school until received.

Immunization Requirements

(number of doses may vary by age and when vaccinated)

- Proof of requirements must be received at the school by the 30th day of school attendance. Failure to provide proof will result in exclusion from school until received.
