Los Alamitos Unified School District

Local Control Accountability Plan (LCAP)
2025-2026

EXPECTED 2025-2026 MEASURABLE OUTCOMES

GOAL 1 Exemplary Teaching & Learning

- Maintain 100% of teachers that are highly qualified, highly trained, and credentialed.
- Provide professional development for all teachers in District Signature Practices.
- Utilize Teachers on Special Assignment and District Coordinators for trainings, demonstration lessons, and coaching.
- Make informed decisions by analyzing school achievement data.

GOAL 2 Exemplary Student Outcomes

- Increase student performance on CAASPP English Language Arts and Mathematics.
- Increase A–G completion rate to enhance college and career readiness.
- Increase Advanced Placement, CTE or Dual Enrollment participation rate for all high school students.
- Increase English Language acquisition status for English Learners.
- Increase student participation rates in Career Technical Education courses.

GOAL 3 Exemplary Connections

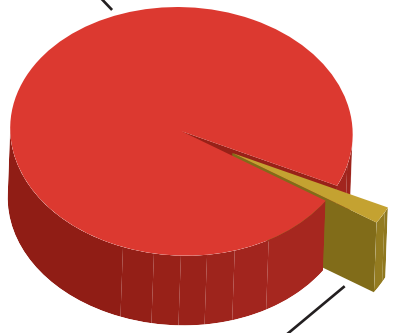

- Increase student connectedness in the 4 A's: Academics, Athletics, Activities, and the Arts.
- Increase parental involvement in site and district committees.
- Maintain a positive and safe school climate and continue to support student wellness.
