Summer Reflection & Reset

We wrapped up another school year, and it's the perfect time to pause and take a deep breath. The 2024–2025 year was filled with challenges, growth, and meaningful moments, and every success was made possible by the dedication of staff across our ESC and partner districts. Whether you were supporting students, leading programs, or keeping things running behind the scenes, your hard work didn't go unnoticed.

Summer gives us a chance to slow down, reflect on what we've accomplished, and reset for the year ahead. It's a time to celebrate wins—big and small—and to take care of ourselves so we return refreshed and ready. Rest, recharge, and give yourself permission to enjoy the break.

The 2025–2026 school year is right around the corner, and we can't wait to take it on with all of you. Until then, thank you for everything you do—and happy summer!

—Mary Mitchell

If you need to speak with someone in the Central Office, it is a good practice to phone ahead to ensure that the person is in the office. Many of our year-round employees use their vacation days in June and July.

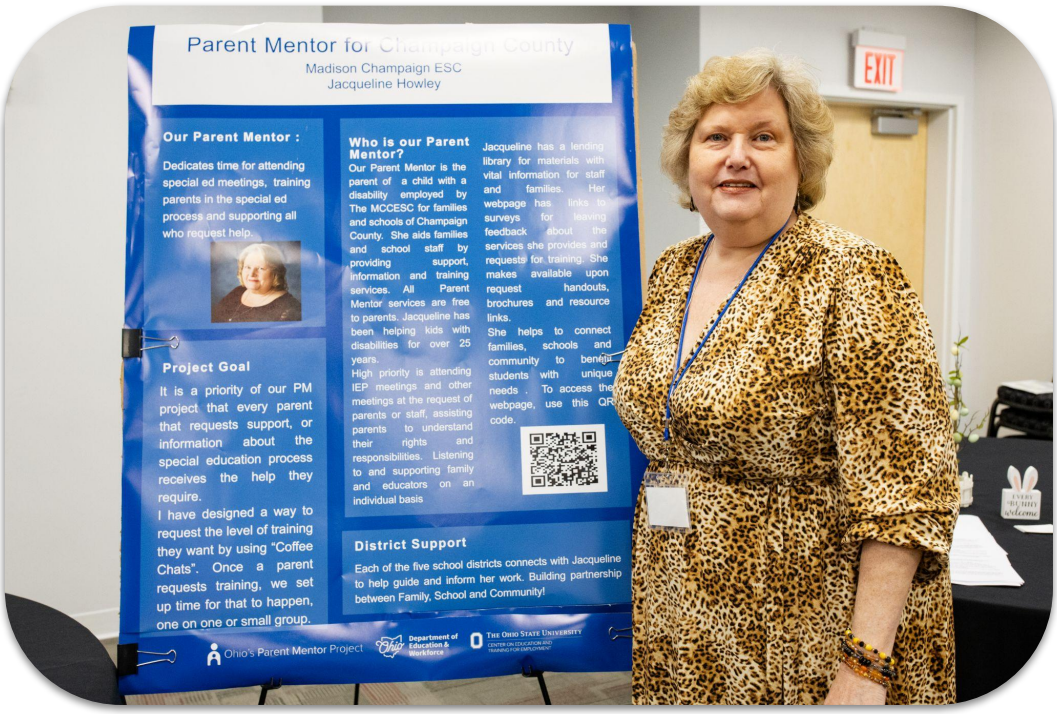
Parent Mentor

We are honored to recognize the amazing work of our parent mentor, Jacqueline Howley, whose unwavering dedication, compassion, and leadership have made a lasting impact on our families and community.

Jacqueline has been a guiding light for so many parents, offering not just information and support but genuine care and understanding. Whether helping families navigate the special education system or simply being a listening ear during difficult times, she consistently goes above and beyond to ensure that no parent feels alone.
Her passion for empowering others and her ability to connect with families on a personal level make her truly special. Jacqueline's strength lies not just in her knowledge, but in her heart—and that is what sets her apart.

It's no surprise that she was chosen to mentor new parent mentors—her leadership and example make her the perfect person to guide and inspire others stepping into this important role. Her influence is now shaping not only the families she serves but also the next generation of mentors.

We are incredibly grateful for all that she does and the positivity she brings into our lives. Thank you, Jacqueline, for being a mentor, advocate, and trusted support. You are deeply appreciated!



Celebrating Preschool Graduation: Wishing Our Little Learners Well

As the school year ends, we celebrate a joyful milestone: Preschool Graduation!

This moment is more than caps and gowns — it's about growth, discovery, and all the "firsts" our little learners have experienced. From making friends to learning letters and exploring through play, our preschoolers have grown in so many amazing ways.

They're now more confident, curious, and ready for their next big adventure: kindergarten! We're proud of everything they've learned — and even more proud of the kindness, joy, and resilience they've shown each day.

To our graduates: You've filled our classrooms with laughter and love. Keep dreaming big — you're going to do incredible things!

To our families: Thank you for sharing your children with us. It's been an honor to be part of their journey.

Congratulations, preschool class of 2025!
