Re: April 2025 Treasurer's Report

Date: June 5, 2025

Attached are financial reports for April 2025. Below are explanations of major variances compared to the prior year.

Local revenue is approximately \$5,108,000 greater than the prior year, primarily due to an increase of \$3,887,000 in real estate tax revenue. This reflects the impact of a 2.65% tax rate increase and assessed value growth of 1.22%. Real estate transfer tax, interim real estate tax, and earned income tax are greater than the prior year by approximately \$1,099,000, \$783,000, and \$324,000, respectively. The other tuition revenue is greater than the prior year by approximately \$399,000 due to an increase in tuition rates. Miscellaneous revenue, payments in lieu, and contributions/donations are greater than the prior year by approximately \$127,000, \$38,000, and \$24,000, respectively. Interest on investments is less than the prior year by approximately \$1,480,000 due to the General Fund holding more fixed term investments "CDs" in FY 2025 than FY 2024. Delinquent real estate tax and school tuition are less than prior year by approximately \$54,000 and \$36,000, respectively.

State revenue is approximately \$2,518,000 greater than the prior year. Basic, special, vocational education subsidies are greater than the prior year by approximately \$917,000, \$89,000, and \$51,000, respectively. Property tax reduction revenue also increased by \$375,000. Retirement and social security revenues are greater than the prior year by approximately \$440,000 and \$154,000, respectively, because of increased salary expenditures. Transportation subsidy revenues are greater than the prior year by approximately \$108,000 due to the timing of receipts. Mental health and meritorious Safe School grants are approximately \$59,000 greater than the prior year. The current year state revenue also reflects receipts for PHEAA Student teacher stipends and Cyber Charter reimbursement of approximately \$280,000 and \$60,000, respectively. Health services are less than the prior year by approximately \$15,000. Federal revenue is approximately \$64,000 greater than the prior year primarily due to the timing receipts related to Title funding offset by the elimination of CARES Act funding.

Expenses are greater than the prior year by approximately \$8,400,000. Personnel expenses are greater than the prior year by approximately \$6,565,000. Salaries and benefits increased by \$3,531,000 and \$3,034,000, respectively. The increase in salaries is reflective of contractual salary increases. Benefits are primarily reflective of increases in health insurance, PSERS, and social security of approximately \$1,826,000, \$920,000, and \$255,000, respectively, due to salary increases. Non-personnel related expenses are greater than the prior year by approximately \$1,835,000, most notably due to the timing of technology related licensing, charter school and other tuition payments in addition to increased costs related to professional services, contracted carriers, insurance, and repairs; offset by one-time nonrecurring implementation costs of the new reading program in the previous fiscal year.

On a monthly basis, actual revenue and expense by detailed lines are compared to budget and prior year actuals. The budget column represents the full year, therefore, each month we look at the receipts or spending to date as a percentage of the total budget, taking into consideration known variations in the timing of each line.
