Note: based on student elective assignments parents/guardians may receive requests at the start of each quarter for supplies to ensure success in the student’s assigned elective course.

If you want to organize your supplies before the first day… this is what we suggest…

Sixth Grade: Label one of your binders for science and place 100 pages of your loose leaf paper in the binder. Have a place to keep your pencils, headphones, and highlighters organized. Only bring (1) 24 pkg of sharpened pencils with you and place the others at home and bring a fresh pack to start each quarter. Label one of your binders for math, place the 5 subject divider tabs in this binder and place 300 pages of loose leaf paper in this binder. Label two of your single subject spiral notebooks and your red plastic folder with fasters for ELA. Label your last single subject spiral notebook for social studies.

Seventh Grade: Label one of your binders for science and place 100 pages of your loose leaf paper in the binder. Have a place to keep your pencils, calculator, headphones, and highlighters organized. Only bring (1) 24 pkg of sharpened pencils with you and place the others at home and bring a fresh pack to start each quarter. Label one of your binders for math, place the 5 subject divider tabs in this binder and place 300 pages of loose leaf paper in this binder. Label your red plastic folder with fasters for ELA.
