

UCHS LAPTOP REQUIREMENTS

The laptop program at University Christian High School equips students with a valuable resource to enhance their learning beyond the conventional classroom setting. It unlocks a world of endless possibilities, allowing students to connect and interact across various platforms.

However, with this opportunity comes significant responsibility. The laptop serves primarily as an educational tool and should be utilized for that purpose while on school premises. Using a personal laptop at school is a privilege granted to students, and the school has implemented guidelines to ensure security and acceptable usage.

All students attending UCHS are responsible for providing his/her own laptop. Listed below are the minimum requirements.

- Screen Size: 13"-18", 15" preferred (Think Portability!) Touch screen OK.
- Speed: 2.2GHz or faster, i5 recommended
- Memory: 4 GB minimum 8 GB recommended
- Storage: 250 GB minimum, 500 recommended; SSD Drive, if possible
- WiFi Ready
- Windows 10 or higher (or for mac: OS X Mavericks)
- Microsoft Office Student Edition (optional)
- Antivirus software – current subscription, automatic updates daily.
- Also recommended – mouse, computer backpack or laptop case, backup drive
