Re: **ONLINE DATA CONFIRMATION IN LIEU OF COMPLETING FIRST DAY PACKETS**

Dear Parent:

This letter is to remind families of the upcoming Online Data Confirmation process that will allow you to update your student's information instead of having to complete the First Day Packet in written form.

In order to access this online feature, you will need an AERIES Parent Portal Account. If you do not have an Aeries Parent Portal Account, please refer to our district website at www.ojusd.org and find the Online Data Confirmation link. You will be asked to provide your email address to receive instructions on creating an account and for accessing the Online Data Confirmation process. We strongly advise parents to use a computer rather than a mobile phone device due to formatting problems with mobile apps. If you need help, please email **aeries@ojusd.org**.

Only one Parent Portal Account is needed per family. Therefore, if you already created an account to view another child who also attends an OJUSD school, you can use that existing account to add a new/additional child, and to confirm each student's data and to access all of his/her records.

By establishing a Parent Portal Account, you can complete the Online Data Confirmation process, and review district handbooks and the Student Conduct Codes. In addition, throughout the school year, you can view your students' attendance records, grades, standardized test scores, and much more.

The Online Data Confirmation window opens **July 14 and closes August 15, 2025.** You are strongly encouraged to take advantage of this efficient method of updating your student's records, as this process replaces the completion of the First Day Packet in written form.

School offices will be available, starting July 25, 2025, to assist with creating a Parent Portal Account or with the data confirmation process. In addition, computers will be made available in the school front office for those who wish to complete the data confirmation process onsite during the hours of 8:00 am to 2:00 pm.

PLEASE REMEMBER: The ONLINE DATA CONFIRMATION window will only be accessible from July 14 to August 15, 2025. Once the window closes, parents who did not complete the online process will need to complete the entire First Day Packet in written form and submit it to the school office by August 18, 2025.

Class lists will not be posted at elementary school sites. To find out your child's teacher, please complete the online data confirmation process. Teacher assignments will be available in AERIES starting August 4, 2025, at 8:00 AM

Respectfully,

Catherine Medlin

Catherine Medlin,
Director of Child Welfare and Attendance, Pupil Services
Oakdale Joint Unified School District
