CH-UH Strategic Plan

Goal 5, Objective 3:

Inform and educate all stakeholders regarding District finances and school funding in Ohio.

#1 – EMIS

- Educational Management Information System (EMIS) is a statewide data collection system for Ohio's primary and secondary education, including demographic information, attendance, course information, financial data, and test results.
- Uniform and consistent source of reporting data in accordance with Ohio law, including definitions, requirements, and reporting procedures.

#2 - USAS

- The Uniform School Accounting System (USAS) structure involves an account number with distinct dimensions.
- Public schools required to maintain records using specified minimum levels of detail for each dimension per ORC 3301.0714.
- Expenditures - 9 dimensions, 30 digits.
- Revenues - 6 dimensions, 22 digits.
- Hierarchical design.
- Dimensions - fund, function, object, special cost center, subject, operational unit, instructional level, job assignment, receipt code.

#3 - EMIS Finance Reporting/Uses

- 5-Year Forecast
- Maintenance of Effort
- District Report Card (Financial)
- District Profile (Cupp) Report
- Fair School Funding requirements (Gifted, CTE…)
- Annual Financial Audit
