CH-UH Strategic Plan

Goal 5, Objective 3:

Inform and educate all stakeholders regarding District finances and school funding in Ohio.

#1 – T-2 Report

- ❖ The T-2 is used to certify to ODEW the actual expenses incurred in the transportation of eligible students reported on the T-1 Report during the preceding fiscal year.
- ❖ Includes transportation expenses only for pupils transported on a regular basis.
- ❖ Does not include expenditures for non-routine use of school buses (summer school, field trips, athletics...).
- ❖ Supporting documentation must be available for 5 years for audit purposes.

#2 – Early Childhood Education Grant

- ❖ State-funded pilot that allows districts to provide full-day programming to preschool aged children.
- ❖ Offsets staff salaries/benefits to reduce the cost of programs for both the families enrolled in general education classrooms as well as the district.
- ❖ CH-UH was just awarded \$106,250 for the 24/25 school year.

#3 – Senate Bill 29

- ❖ Effective date of October 24, 2024.
- ❖ SB 29 governs the collection, use, and protection of educational records by technology providers.
- ❖ “Technology Provider” is a person who contracts with a school district to provide a school-issued device for student use and/or creates/receives/maintains educational records.
- ❖ Technology provider contract must ensure appropriate security safeguards for educational records.
- ❖ No later than August 1 of each school year, the district must provide direct and timely notice of any curriculum, testing, or assessment technology provider contract affecting a student’s educational records.
