## Percent of Total Population Involved in Athletics or Activities by School Year

A “drop-out” is defined as any child whose name has been removed from the District-housed roster for any reason other than death, extended illness, graduation, or completion of a program of studies and who has not transferred to another public or private school. A “drop-out” also includes any student considered to be transferring but for whom a transcript request was not received. The definition does not include expulsions.

## CHSD 94 Drop Out Rate vs. State

Comment: The drop-out rate for CHS is below the State average every year.

# CHSD 94 Low Income Students vs. State

Low Income status is determined by income eligibility guidelines for free and reduced lunches. This information is self-reported and collected from all families on an annual basis. Figures are calculated for the Fall Housing Report and the School Report Card on the last school day of September using the total number of students who are eligible for free lunch.
