Community Service Guidelines at Canterbury School

Community Service is primarily an act of donating time to a charitable non-profit organization. The service is donated out of a desire to help make a difference in the community and is without compensation. Services performed where the efforts are a responsibility of membership such as for one's family or for a school class for which credit is received are not counted. Donations of canned foods, clothing and/or money for organizations and individuals in need are strongly encouraged as reflections of personal generosity but do not earn community service hours.

Forms must be turned in within 30 days of completion of service and completed in their entirety in order for hours to be awarded. The minimum service time is one hour. Freshmen must complete at least 50% of their hours off campus; sophomores, juniors and seniors must complete at least 75% of their hours off campus.

Examples of Activities that Canterbury School Will Not Accept as Community Service:

- Performing Arts (e.g. in an orchestra, theater, or dance studio)
- Babysitting
- House sitting
- Club athletics
- Helping a family member with household-related work (e.g. cleaning, moving, or lawn care)
- Helping a non-family member household-related work (e.g. cleaning, moving, or lawn care) without prior approval of the Community Service Director
- Volunteering for a local for-profit business

Community Service Requirements

Canterbury School has two requirements. Upper school students who attend all four years at Canterbury must have a minimum of 100 community service hours to graduate. Additionally, all upper school students have an annual community service requirement. Seniors must have completed their annual requirement as a prerequisite to beginning their I.S.P. (Independent Senior Projects). Juniors, Sophomores and Freshmen are expected to have their annual requirement completed prior to the last day of school.

Annual Requirement

- Freshmen 20 hours
- Sophomore 20 hours
- Juniors 30 hours
- Seniors 30 hours
- National Honor Society members have an additional requirement of 15 hours of community service during the year of their induction and 30 hours thereafter.
- **Bright Future Scholarship requirements**
 - o **Florida Academic Scholars Award (FAS)** (This is the top award for which many of our students qualify.)
REQUIRES 100 HOURS OF COMMUNITY SERVICE BY GRADUATION
 - o **Florida Medallion Scholars Award (FMS)** (Those Canterbury students who do not qualify for FAS often qualify for FMS) REQUIRES 75 HOURS OF COMMUNITY SERVICE BY GRADUATION

Community Service hours completed during the summer will be applied towards the next school year's requirement, provided that the student has already satisfied the previous year's requirement.

Seniors with 400+ volunteer hours are recognized with the traditional silver cord worn at graduation. New students will be expected to fulfill the required hours for the years they attend Canterbury.

Students are encouraged to speak to [Mrs. Cindy Lyons](#), Director of Community Service, if they have any questions concerning their volunteer hours. Mrs. Lyons may be emailed at clyons@canterburyfortmyers.org
