

Parks Elementary 2025-2026 School Supply List

**Thanks to a grant, Parks Elementary will provide
all school supplies for our students this year!**

There's no need to purchase any traditional classroom materials —
we've got it covered!

We kindly ask each family to provide:

- A backpack for your child
- \$10 to cover the cost of a school t-shirt

Thank you for being a part of our
Parks Elementary community.
We're excited for a great year ahead!
