**Microbiological Characteristics:**

This SFC product is thermally processed to be commercially sterile per US FDA and GMP regulations.

**General Information:**

Seneca Foods Corporation manufactures in accordance with the Good manufacturing Practices (21 CFR, Parts 113 & 117). The finished product and packaging conforms with the provisions of the Federal Food, Drug and Cosmetic Act as amended, to all applicable USDA regulations, to the state regulations in which the facility is located and is fit for human consumption.

All of our production facilities have a HACCP program, but at this time there is not a certification for Low Acid Canning Facilities. Our HACCP Plans are available for review at each location.

Seneca Foods is in current compliance with the Food Safety Modernization Act, signed in 2011. While several provisions of the act are still in review and development stage, we will continue to monitor and update our programs as needed. All of our facilities have re-registered as part of this act.
