

2025-26 Transition Plan

Boys' Latin of Philadelphia ("Boys' Latin" or "the school") prepares boys for success in college and beyond. This plan is designed to support students in achieving the school's mission. More specifically, this plan provides information and opportunities for students to ensure a seamless transition from elementary school to middle school; one middle school grade level to another; middle school to high school; one high school grade level to another; and high school to college. This plan also provides parents with information and opportunities to become informed about curriculum, instruction, and assessment frameworks and relevant programs and services.
