CANVAS:
Create a Canvas Parent Account (App)

Updated June 2025

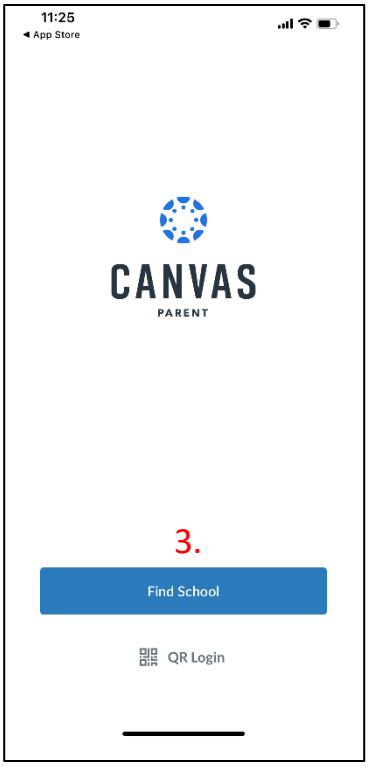
Download the Canvas Parent App

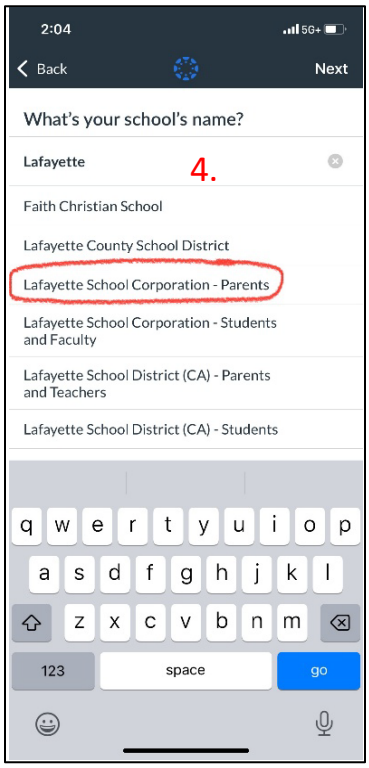
1. Download the Canvas Parent app from either the Apple App Store or Android Google Play Store.

2. Open your new app.

3. Tap **Find School.**

4. Type Lafayette School Corporation in the search field and select **Lafayette School Corporation - Parents** from the drop down list.





Log in or Create an account

5. Tap **Create Account** in the middle of the screen.

6. Enter the required information on the next screen. **For information on how to obtain a *Student Pairing Code* see next page.**

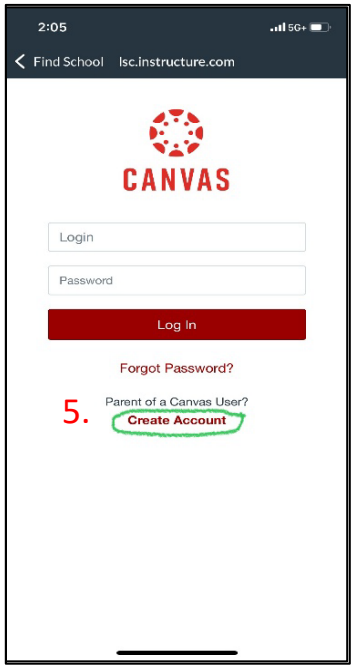
Type in the 6 digit code in the Parent app.

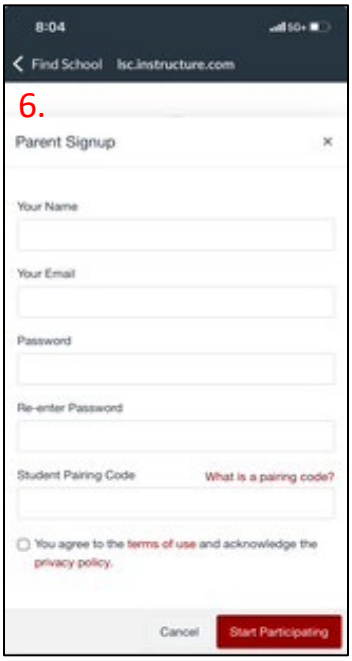
Check the box after reviewing the terms and privacy policy.

Touch the Start Participating button.

Your account information can also be used to access Canvas on the web (lsc.instructure.com).

For additional information about the Canvas Parent App, visit: https://community.canvaslms.com/t5/Canvas-Mobile/ct-p/canvas_mobile?tab=recent





Student Pairing Code

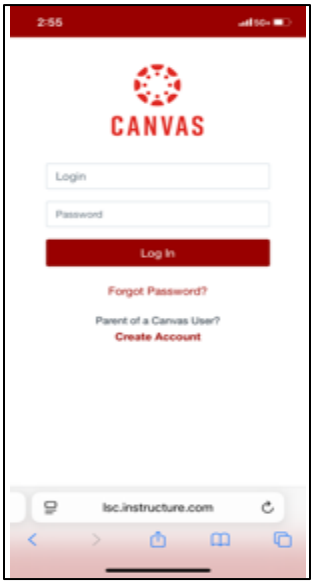
7. To obtain a student pairing account, the student will need to generate a code from their own account.

   Open lsc.instructure.com in a web browser. (You **cannot** generate a Student Pairing Code using the Canvas Student app.) Login using your LSC username and password.

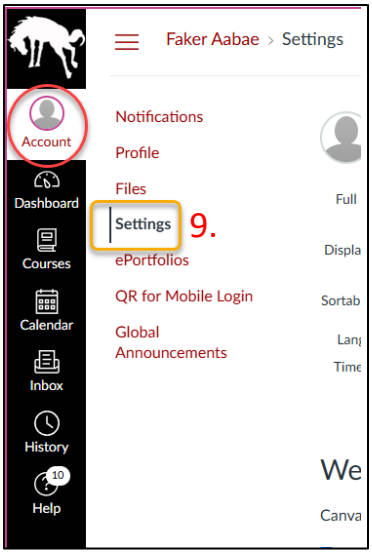
8. Tap **Account**.
9. Tap **Settings**.

10. On the right side of the screen, tap **Pair with Observer.**

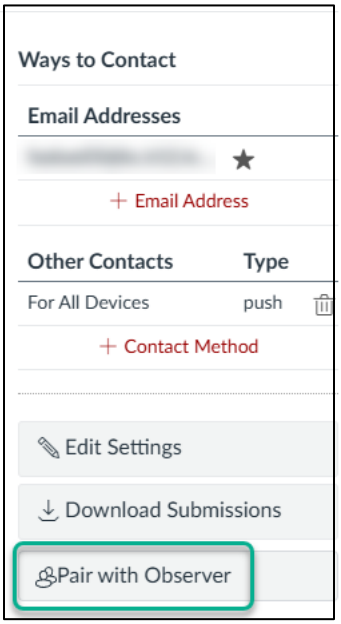
7.

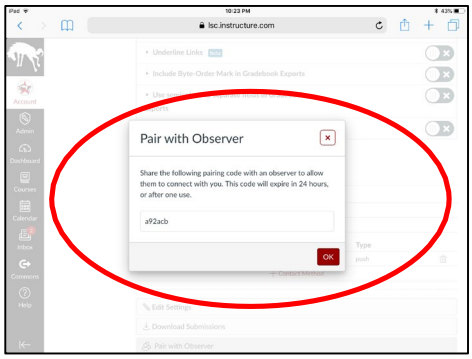


8. 9.



10.





11. Write down (or take a screen shot) of your 6-digit code. This code will expire in 24 hours. You can create codes as many times as needed. Your teacher can help you with these steps if you have any trouble. You can also contact the LSC Technology Department for help: integrations@lsc.k12.in.us	11.
