

YES! I want to become a member of Teamsters Local 137 and continue to stand with my coworkers to win fair wages, benefits, and working conditions for all!

1 I recognize the need for a strong union and believe everyone represented by our union should pay their fair share to support our union's activities. Therefore, I voluntarily authorize my employer to deduct from my earnings and transfer to Teamsters Local 137 an amount equal to the regular monthly dues uniformly applicable to members of Local 137, and I agree that this authorization shall remain in effect for the duration of the existing collective bargaining agreement, if any, and yearly thereafter until a new CBA is ratified, unless I give written notice via U.S. mail to both the employer and Local 137 during the 30 days prior to the expiration of the CBA or, if none, the end of the yearly period. My check-off authorization will renew automatically, regardless of my membership status, unless revoked during the window period described. Union dues are not tax deductible under current federal law.
