

THE WILDCAT WEEKLY

A Note from Dr. G – The Moving Up Edition

Another fantastic school year is in the books! We're so grateful for every moment of 2024-2025 and proud of how our students have grown. They've tackled new challenges with determination, celebrated each other's successes, and filled our hallways with laughter and friendship. Their kindness toward classmates and dedication to learning has made this year unforgettable. These Moving Up Ceremonies at HES, CES, and WMS mark important milestones as we send our students off for a well-deserved summer break.

Rest up, Wildcats – September will be here before we know it!

Check out these ceremony highlights and follow our websites & social media for more!
