August 2025

Welcome to the 2025–2026 School Year

Home of the CHARGERS!

Our students lead with **Kindness, Integrity, Determination, and Support**. We hope you had a great summer and are ready for an exciting new school year! Cameron is proud to be a CRPBIS Platinum Award School the highest honor for promoting positive, culturally responsive behavior. Our school-wide expectations guide everything we do, from rewards to discipline. We encourage families to learn and support these values at home too!

This school year, Cameron will focus on working together to **UNLOCK** the **POWER** of **STORYTELLING** through **READING, WRITING, ART,** and **TECHNOLOGY**. Throughout the year, students will engage in fun and meaningful activities that build these skills across grade levels. These activities will also help prepare our 3rd and 4th graders for the CAASPP state test in the spring. We're excited to celebrate their growth with special events.

Let's make this a year full of creativity, learning, and powerful stories at Cameron!

KINDNESS

Teaching **KINDNESS** at Cameron!

We believe every student can show **KINDNESS**! At Cameron, we'll teach what **KINDNESS** looks like in the classroom, cafeteria, playground, and on the bus. Our staff will lead Social Emotional Learning (SEL) lessons, and our counselor will teach social skills and coping strategies to help students respond positively, even when others are not showing **KINDNESS**.

Let's work together! Please model **KINDNESS** when visiting our campus and engaging with our staff your example matters.

INTEGRITY

Our next behavior expectation is **INTEGRITY**. At Cameron, we believe in being accountable for our actions, words, and choices. We'll teach students what **INTEGRITY** looks like and what's expected in various situations. Everyone makes mistakes, it's how we learn and grow that truly shows **INTEGRITY**. Families, you play a big role too! Please help reinforce the value of **INTEGRITY** at home and in everyday life.

DETERMINATION

Our third behavior expectation is **DETERMINATION**. Each day, teachers and staff support students as they work independently, with partners, and in groups to complete tasks and tests. We hope all students show true **DETERMINATION** and do their best this year. Families can help by ensuring homework is completed, forms are signed and returned promptly, and backpacks are checked daily for important information.

SUPPORT

Our fourth behavior expectation is **SUPPORT**. We're teaching students to be polite helpers and to work together to grow and succeed. Families can **SUPPORT** learning by reporting absences with doctor notes, ensuring students arrive on time, and staying connected through **Parent Square** our district-wide communication tool. Please also **SUPPORT** us during pick-up by being patient, driving slowly, turning right when exiting, and using crosswalks for safety. Thank you for **SUPPORTING** our school!
