- Campus Safety Department Operates on a 24/7 call.
- Officers are stationed at several school sites along with a patrol division.
- We provide escorts and help monitor you while you safely get to your vehicle for late work hours.
- Respond to all suspicious activities in or around the perimeter of the schools.
- Closely work with local agencies; LA County Sheriff's Department, LA County Fire Department, City of Lynwood and surrounding agencies.
- The Campus Safety Department receives annual training in multiple areas; First-Aid/CPR, Workplace Bullying, Child Abuse Identification and stays up to date with all Local/State/Federal Mandates.

Emergency Operations Center (E.O.C.)

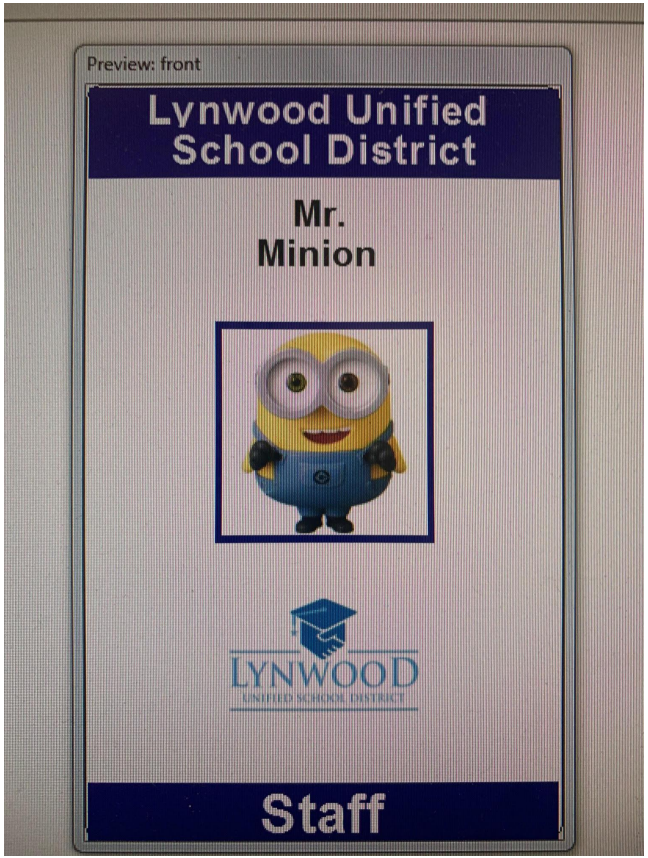

Front doors should remain locked at all times.

The Aiphone provides a layer of safety to ensure we maintain a secure campus while preventing a potential threat from entering the front office.

ID Badge

All persons entering any L.U.S.D. property are expected to wear there ID Badge while on duty. Persons not displaying their badge, may encounter a campus safety officer stopping to ask them to identify and show them their badge. This is to protect everyone on campus and make sure the person belongs there.

Visitor Management (Raptor)

All visitors will need to utilize the Visitor Management System.

This will help to provide a quick ID, with a time/date stamp of the visitor.

The system will also identify any persons registered as sex offender and alert the proper trained personnel.

CENTEGIX™
EVERY. SECOND. MATTERS.

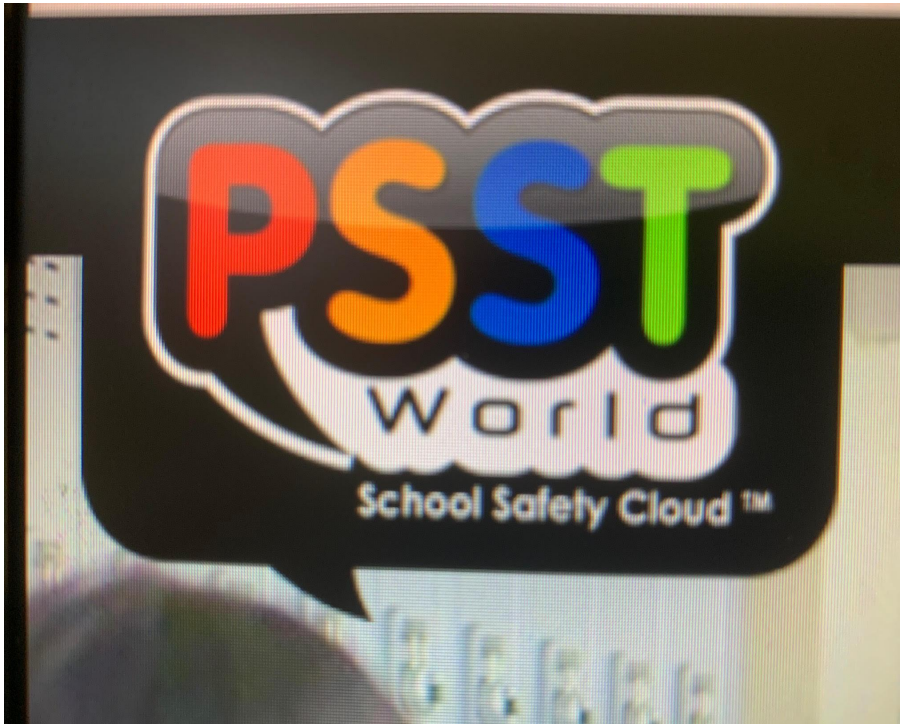

CrisisAlert™ Badge

In accordance with Alysa's Law, L.U.S.D. has purchased an emergency panic button that will alert a local response team and a secondary crisis team.

Anonymous Reporting

The L.U.S.D. has a anonymous reporting software that is monitored in real time. Each report is submitted confidentially and investigated.

This app can be download to your mobile device and is currently on the schools website.

The Campus Safety Division is proud to provide.
