School Community Presentation

LUSD Mission

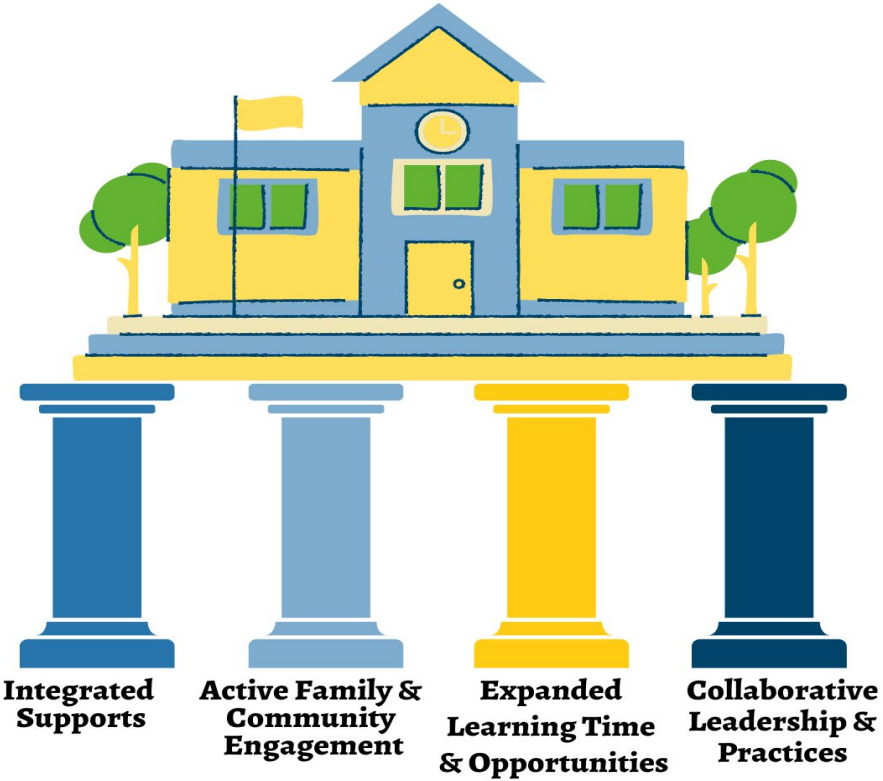

The mission of LUSD, the model urban school district, is to ensure each student fearlessly achieves their highest academic and personal aspirations while contributing to a diverse, global society through an evolving system distinguished by:

- People of great character who inspire and lead by example
- The instilling of courage to be creative
- The transformative uses of technology
- Safe and clean environments
- The inclusion of all voices in our community through equity, access and justice

Community Schools

The California Community Schools Partnership Program (CCSPP) supports schools' efforts to partner with community agencies and local government to align community resources to improve student outcomes. Community schools take a whole-child approach to understand and address unique needs, assets, & aspirations of the community.

The Four Pillars of Community Schools

Community Schools

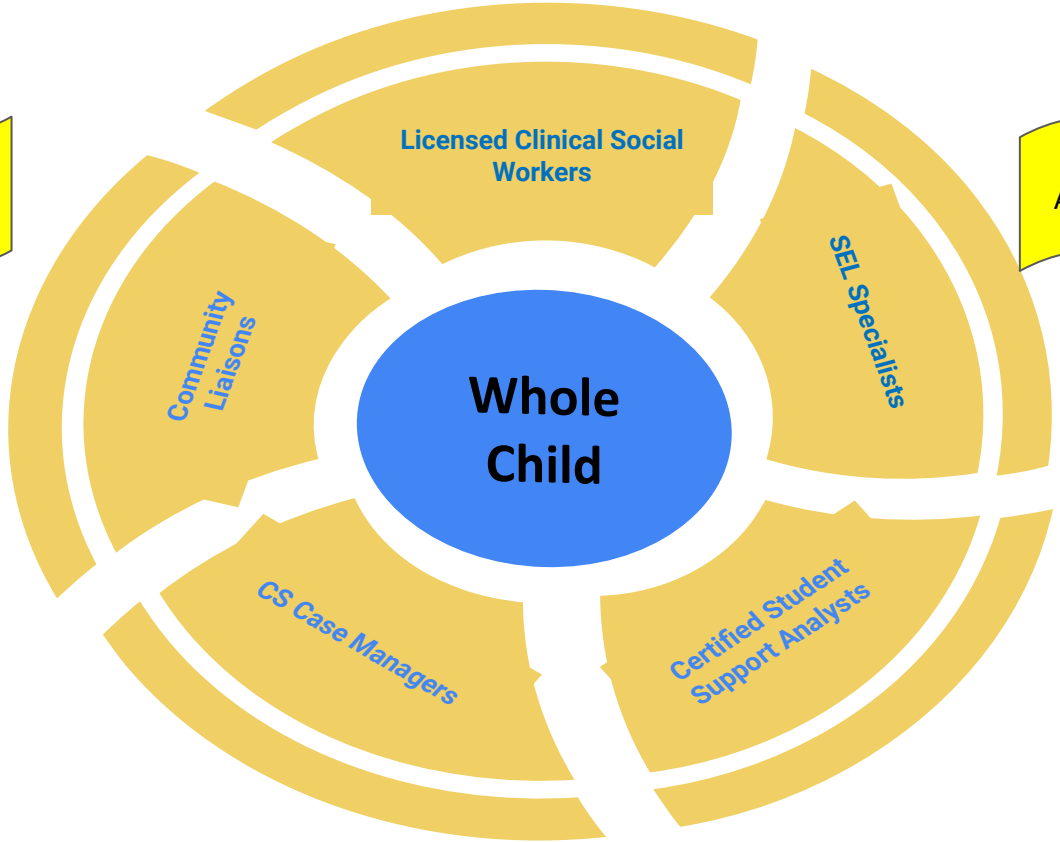

CCSPP School Site Goals

- Improve school wide parental involvement
- 100% of students will have access to high quality Tier II and Tier III interventions based on their determined needs.
- 100% of teachers will be trained on the core aspects of our Community School practices and how new roles/partnerships will expand whole child supports.
