AB 288 Dual Enrollment Program

Lynwood Unified School District partners with Compton College to offer high school students the opportunity to enroll in college courses and earn credits towards both college and high school requirements

AB 288 Dual Enrollment Program

The Dual enrollment program offers a series of college courses that can lead to an Associates Degree. Classes are offered at both high schools and are integrated into the student's regular high school schedule.

Benefits of Dual Enrollment

Enrich your High School Experience: Engage in rigorous course work while earning high school and college credit at the same time.

Accelerated Path through College: Earn an Associates Degree by the time you graduate High School

Save Time and Money: Free college tuition and text books

Earn more High School Credits and Boost GPA: A 3-unit college course = 10 high school credits (2 semesters of high school credits)

College Courses Imbedded in School Schedule: Take college courses on your high school campus during the school day.

Program Operations

Students will take one college class per semester
***(Fall, Winter, Spring, Summer)**

Students will begin their college class between 7:20am and 8:00am

Students will still have a 6 period daily schedule:
1 college course taught by Compton College Professor and 5 High school classes taught by high school credentialed teachers

Starting junior year, students will take 2 college classes per semester

***4yr commitment including winter and summer**

Expectations

Students are expected to adhere and follow Compton College policies regarding the college course

Maintain the following

- 3.0 or above in all college courses
- Positive attendance

Consistently check and use college email, and Canvas student portal

Students will be dropped from the program if they do not pass the 1st course, receive any combination of 3 D's, F's, or W's

*Students should make up any college course so that is does not jeopordize their college GPA

Resources

Students are entitled to all resources available to Compton College students such as tutoring , learning center, Counselors, Farmers Market(S20 voucher) etc.

Students will also have access to all school based resources.
