Fun & High Quality
Summer Camp!

A Day in the Life of a Galileo Camper

Every day at camp includes three engaging rotations, all tailored by age and designed to build innovation skills.

Idea Lab
Collaborate on iterative design challenges

Innovator's Studio
Create individual, polished STEAM projects

Outdoor Adventure
Play games and build team spirit outdoors

galileo

Innovator’s Studio

In INNOVATOR’S STUDIO students:

- Campers focus on a **personal vision with new topics each week**
- Build impressive, **polished take-home projects** that really work
- Develop **multi-disciplinary skills in** unique projects for each age group

Activities Include: Go Carts and Robots!

CUSTOM GO-KARTS

Get behind the wheel of your very own go-kart. Learn how to handle handsaws, drills, rasps and files. Work with hand and power tools to assemble your kart's wheels, axles, steering column, hood and seat. Dream up an original design, crafting functional features like doors or foot brakes and adding personalized styling with acrylic paints. Debut your kart at an end-of-week show, then roll home in your one-of-a-kind ride.

REMOTE CONTROLLED BOTS

Kick it with your own remote-control robot. Invent an original character, then bring it to life with sculpted-foam features and custom attire. Switch gears as you work on your robot's electronics, building a remote-control transmitter, wiring the motor and adding attachments to give your creation new athletic abilities. Put your bot to the test in a series of mini challenges, from ball games to obstacle courses.

Idea Lab

In IDEA LAB students:

- **Collaborate in pairs to** experience **memorable maker moments**

Projects include

- Installing large scale decor/ camp pranks
- Playing games
- Epic destruction

Projects
Idea Lab

2nd-3rd grade
Tension Towers

K-1st grade
Tall Cup Creatures

4th-6th grade
Use Your Head Game

Outdoor Adventure

In OUTDOOR ADVENTURE students:

- **Actively play**
- Engage in **team building**
- Practice the Innovator's Mindset and Process **kinesthetically**

galileo

Outdoor Adventure

Active Games

Snakes in the Grass
Be COURAGEOUS and cross the field without getting bitten by a snake (hit by the jump rope).

Team-Building Challenges

Chicken Rescue
Be VISIONARY by devising a plan for your team to return the chicken to the starting line without getting caught by the chicken keeper.

Arts & Crafts

Lanyards
Time each day for students to choose their own activity. *Options include:* favorite sports, tag games, freeze dance, face paint, lanyards, paper crafts and more!

When Galileans are **intentional about creating community**, WE:

- ensure that all aspects of camp are welcoming and inclusive
- design experiences that enable bonding & encourage everyone to bring their whole-self to camp
- engage in authentic, supportive relationships with our campers, their families and each other

Camp Details:
