All league members shall field a 7th and 8th grade team.

If you field a combined team it must play as an 8th grade team. All games will be recorded as forfeits and you will not be eligible to participate in playoff or championship games.

If a team declares as a combo team, the combo team will take an automatic forfeit for every game they play as a combo team, and the opposing team can determine whether their 7th OR 8th grade team will play against them. If the team can field a full team, they will play at their grade level. Combo vs combo will result in a double forfeit.
