Dr. Devon Q. Horton
Superintendent

Dear Parent and/or Guardian,

In collaboration with the Georgia Department of Education (GaDOE), the DeKalb County School District's Department of Exceptional Education will conduct a 2024-2025 parent satisfaction survey for parents and guardians of students with disabilities. As always, our goal is to partner with families to obtain input on how the District can seek to address the needs of students with disabilities.

The Parent Satisfaction Survey helps the District and the State to measure and determine parent/family needs and perceptions of the success of parent engagement with the local schools. The survey is 10 questions and will be open to all families of students with disabilities.

The 2025 Parent Satisfaction Survey will be available until May 31, 2025. The link to the survey is included below and is also available on the Parent-to-Parent of Georgia website.

If a survey is needed in a language other than English, please reach out to your school's Lead Teacher for Special Education (LTSE).
