

Students

REFUSAL TO HARM OR DESTROY ANIMALS

The Governing Board recognizes that some students have a moral objection to dissecting or otherwise harming or destroying animals. California law grants these students the right to refrain from participation in instruction which involves such activities.

Students shall not be discriminated against because of a decision to exercise this right. (Education Code 32255.1)

At the beginning of each academic year, the district shall notify students and parents/guardians of the students' right to refrain from instruction involving harm or destruction of animals. (Education Code 48980) Such notification shall also be given to students by each teacher of a course that uses live or dead animals or animal parts. (Education Code 32255.4)

(cf. 5145.6 - Notifications Required by Law)

Agricultural education classes are exempt from the legal provisions which allow students this right. (Education Code 32255.6)

The accommodation of students' requests for alternative educational projects shall be left to the discretion of site administrators and teachers.
